Objectives and activities

Charitable Purposes

Prospects Across Scotland's (PAS) key charitable purposes are the advancement of religion and the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage.

PAS exists to raise awareness among Christians in Scotland about the needs of people with learning disabilities and those with learning disabilities and autism. PAS equips churches to be more effective in how they welcome these people, and share the good news about Jesus, in a way they can understand.

The organisation's main purposes are:

The advancement of religion by enabling churches to present the Christian message in ways that are relevant and understandable for people with learning disabilities and people with autism and to equip and train people with learning disabilities to speak up about their needs in church to help them develop their faith.

The relief of those in need by reason of learning disability by promoting the inclusion of people with learning disabilities and people with autism into Christian churches, enabling them to develop and express their faith by participating in all aspects of church life and to enable churches to be more effective in welcoming and including people with learning disabilities thereby reducing the isolation and loneliness that people with learning disabilities can experience.

Activities

Raising awareness of the information, advice and support PAS can provide to church communities who want to be more welcoming to people with learning disabilities.

Facilitating training for churches to help them to become more inclusive communities.

Facilitating opportunities for people with learning disabilities to take a more meaningful role in church life.

Organising day and weekend events for people with learning disabilities and their friends and family to meet together in a Christian environment.

Financial review

The Charity's main funding sources are now currently:

- Individual regular donations via Standing Order or adhoc giving
- Church irregular donations
- Revenues from sale of Prospects Across Scotland merchandise
- Tartan Tea fundraisers and other events
- Fundraising bespoke Campaigns (£20k in 2024)

Tartan Tea and other fundraising events are now being run more frequently and it is hoped more can be run in the coming year.

PAS launched a fundraising campaign targeting **£20k more** in 2024 and managed to exceed that target and launched a **Thrive in '25** campaign in at the start of 2025.

During this financial year income from regular Standing Order donations has increased.

Multiple grant applications were made during the year and we were successful in several small, medium and larger grants totalling £32,550.

We are grateful to the support from the following :-

Large grants from the Anchor Trust and Fyrish Foundation, medium grants from Benefact and Sir Halley Stewart Trust and small grants from the Paristamen Fund, the John James Trust, Claremont Trust, Jennifer's Fund and Bishop Radford Trust.

The Charity's main lines of expenditure are as follows:

- Staff Salaries
- PAS running costs – still minimal with reduced travel.
- Expenses incurred for running workshops, training events and creating training material
- General running costs including the production of the newsletter and prayer diary
- Expenses related to Insurance, Legal/HR and Accountancy/Payroll support
- Website ongoing support and maintenance costs
- Cost of running the holiday weekend

PROSPECTS ACROSS SCOTLAND SCIO

For the year ending 31 March 2025

The level of expenditure this year was at a lower level than last year (90%) primarily due to the concern at the start of the year over funding so a decision was taken to reduce staff working hours short-term. The ongoing costs for salary, pension, payroll management, running expenses and also support costs such as telephone & broadband generally remained at a similar level to the previous year.

The level of income received was 150% compared to the previous year and therefore we recorded a surplus of £17.8k this year before accounting liabilities, this compares to last year's deficit of £10k. The income was boosted significantly by the 2024 fundraising campaign increasing donation levels but also the charity was successful in several grant applications this year totalling £32.5k. Two of these grant applications were for £10k each covering core staff costs which are significant to supporting stability.

The current bank reserves are at a good level with 12-15 month's reserves, however the charity continually needs to look at fundraising options for sustainability.

The staffing model is under review with an increase back to the level of hours at the start of the financial year.

Statement of the charity's policy on reserves

The charity currently has reserves of £62k with estimated annual running costs of £50k.

£22k of these reserves are restricted with the remaining £40k unrestricted. About £17k of the restricted reserves are to support core costs with the remainder for specific projects / purposes.

Designated funds have been re-visited at the end of year. There were 2 specific items - £2k for the Tulliallan holiday weekend and £3.7k for creating new training material designated at the start of the financial year, only £1k of this was spent in the year due to the receipt of specific grant funding so the remaining designated funds have been returned to unrestricted.

In addition £12k of the 2023/24 fundraising campaign was designated to staff costs during the financial year and that was fully spent.

Future plans

The priority for PAS is to seek additional grant funding or run fundraising campaigns / events to ensure PAS is sustainable beyond this financial year.

The top 3 Goals for the charity are to

1. Continue the Core work of PAS i.e.
 - a. Responding to requests from churches for advice, information and training
 - b. Providing training to churches who want to develop their ministry by running a group accessible to people with learning disabilities
 - c. Supporting volunteers and groups
 - d. Maintaining website, Facebook presence and developing new ways of communicating
 - e. Ensuring the organisation is effectively managed and meets its strategic vision
2. To increase awareness of the needs of people with learning disabilities and autism by actively seeking more opportunities to speak in churches and groups and developing more training resources
3. To develop a team of volunteers including people with learning disabilities to deliver talks and training.

Other areas that are in the PAS vision subject to funding and resourcing constraints are:

Extended use of the website by the different groups to allow sharing of best practice, pooling of resources and enhanced inter group communication with additional development to make it more accessible to those with disabilities.

Piloting and developing work in special schools & children's work in churches.

Researching the feasibility of church-based groups for people with learning disabilities to encourage development of life skills and building friendships.

Developing a model for friendship groups within church communities.

INDEPENDENT EXAMINERS REPORT

I report on the financial statements for the period 1 April 2024 to 31 March 2025 set out on pages 2 to 17

Respective responsibilities of the Trustees and the Independent Examiner

The charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's Trustees consider that the audit requirement of Regulation 10(1) (d) of the Charities Accounts (Scotland) Regulations 2006 (as amended) does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

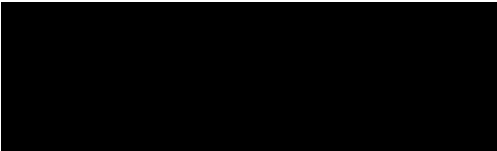

Basis of independent examiner's report

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- 1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44 (1)(a) of the 2005 Act, Regulation 4 of the 2006 Accounts Regulations (as amended); and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations (as amended)have not been met; or
- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
