Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of health', 'the advancement of citizenship or community development', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended', 'the advancement of environmental protection or improvement'

What the charity does: Grow 73 aims to help people of all ages and abilities in Rutherglen and Cambuslang to grow their own food, lead more sustainable lives and support local biodiversity. We hope to play a role in tackling loneliness and exclusion, improve the local environment and support physical and mental health via outdoor activities, promoting 'Green Health' and encouraging healthy eating. Our base is the Community Garden in Overtoun Park, Rutherglen. We have over 80 raised beds for hire every year by local individuals and organisations who use the facilities to grow their own food. Volunteer sessions are run twice weekly all year, volunteers doing much of the work to develop and maintain the community garden and surrounding areas. Training is provided, with educational activities for all ages in local schools and within the garden. We work with local groups including health and social work agencies, the Greening Camglen network and groups in South Lanarkshire via the Beeline to Nature project.

Beneficiaries: 'Children or young people', 'Older People', 'People with disabilities or health problems', 'People with a particular ethnic or racial origin', 'No specific group, or for the benefit of the community', 'Other charities or voluntary bodies'

Objectives: The organisations purposes are: To advance education in relation to gardening, local food growing, healthy eating, composting, and matters relating to the environment, biodiversity and living more sustainably. To advance physical and mental health and wellbeing by providing improved access to the

outdoor environment, promoting an active lifestyle through participation in gardening and other outdoor leisure opportunities and promoting the benefits of growing and consuming healthy food in order to help maintain or improve health. To advance citizenship and community development (including the promotion of volunteering) through the provision of community garden spaces and by involving people who might otherwise be socially excluded in gardening, environmental improvement projects, community events and other appropriate activities which harness the skills and energy of the local community and promote community cohesion. To advance environmental protection and improvement through establishing, coordinating, supporting and/or managing projects which are directed towards preserving and making best use of the natural environment for the benefit of the general public and, in particular, those resident in the areas in which Grow 73 operates.

Chairperson's Report

WELCOME TO GROW 73'S ANNUAL REPORT 2024 - 2025

We look out for each other at Grow 73. The people and the place are warm and welcoming. Our lovely community garden really does feel special. We keep building on our ideas of what a garden can be, and this creates possibilities for all of us to grow. We don't just cultivate plants we cultivate community bonds, personal growth, and friendships.

Our twice weekly volunteer sessions are consistently well attended, even the most inclement weather doesn't keep people away. At every session you will find volunteers working at all sorts of growing, maintenance, and construction activities in and around our raised beds and inside our polytunnel. We garden organically, make our own compost, and recycle as much as we can.

The garden at Grow 73 has its own microclimate, a little bit warmer and more sheltered than the rest of the surrounding park, and plants seem to grow especially well inside our boundaries. We can report that we have had a successful growing season with lots of food produced. In addition to growing fruit and vegetables we have tended to our wilder areas developing habitats to attract more wildlife and to encourage more pollinators to thrive.

As well as all the hard work that gets carried out, we have wonderful social times together where we often cook with our own freshly picked seasonal produce. Our wildlife pond and our pollinator friendly flower beds provide peaceful

areas for quieter activities. Our community garden provides so many different opportunities for so many people. And these include our regular events where we welcome the wider Rutherglen community into the garden, these continue to be much anticipated and extremely popular.

Heartfelt thanks go to our project manager, [REDACTED] and our gardener, [REDACTED]

[REDACTED] We really could not manage without your inspiration, knowledge, and hard work.

Thanks also go to all the members of the Grow 73 Board and, of course, to all our volunteers.

We need you all.

Objectives and Purposes

Grow 73's aim is to support people of all ages and abilities who live or work in the Rutherglen & Cambuslang (CAMGLEN) area to grow their own produce, to learn how to lead more sustainable lives, and to support biodiversity.

Through shared gardening activities, environmental improvements and events we aim to bring together diverse groups across the age and ethnic spectrum to support and learn from each other as well as to improve the health and wellbeing of our community and make Rutherglen the place to be!

OUR CHARITABLE PURPOSES ARE:

- To advance education in relation to gardening, local food growing, healthy eating, composting, and matters relating to the environment, biodiversity and living more sustainably.
- To advance physical and mental health and wellbeing by providing improved access to the outdoor environment, promoting an active lifestyle through participation in gardening and other outdoor leisure opportunities and promoting the benefits of growing and consuming healthy food in order to help maintain or improve health.

- To advance citizenship and community development (including the promotion of volunteering) through the provision of community garden spaces and by involving people who might otherwise be socially excluded in gardening, environmental improvement projects, community events and other appropriate activities which harness the skills and energy of the local community and promote community cohesion.
- To advance environmental protection and improvement through establishing, coordinating, supporting and/or managing projects which are directed towards preserving and making best use of the natural environment for the benefit of the general public and, in particular, those resident in the areas in which Grow 73 operates.

Project Manager's Report 2024-2025

Year 4 of the development of our community garden.

So much work has gone into transforming this beautiful piece of land which, for a long time, had been inaccessible to anyone in the community. The now thriving community garden demonstrates how important a green space can be to people, allowing them to make friends, to acquire skills, and to feel part of a positive change for all.

- Christmas party: celebrating partnership working with R:evolve and volunteers.
- The Bee Line: this is part of growing our partnership with CCI in Lanark, Larkhall Community Growers and East Kilbride Healthy and Active by getting people involved in supporting pollinators locally. We have been able to support 11 new organisations through growing, building confidence and making new friendships.

- Clyde cycle: 3 raised beds built to grow food and extend the BeeLine.
- Cambuslang Rugby Force Day: we planted 267 trees in partnership with Clyde Climate Forest Green Action.
- Clyde Community Growers: (Campbeltown, Dunoon, Inverclyde, Fairlee, Arran): learning exchange to Dunoon to visit other growing projects.
- Hosted a site visit: Isle of Luing Community Trust visited us to learn about setting up a community garden.
- Bothwell Organic Growers: Visited to learn about social space and renewables.
- Pesticide Free Campaign: we are still supporting this initiative and encouraging the Council and other groups working on the Bee Line to stop the use of pesticides.
- Advinia Care Home: have greatly supported us by providing us with water when we still didn't have running water to our site. They also supported our Christmas wreath making event by letting us use their premises for the workshop.
- NHS: we have been supporting patients and families through the social prescribing channel.
- Rutherglen 900: supporting the planning and delivery of the 900th anniversary of the Royal Burgh of Rutherglen.
- Glasgow Caledonian university: working with a PHD student on climate justice.
- NHS: we have been supporting patients and families through the social prescribing channel.
- Learning Exchange: we have been sharing good practice with groups from Campbeltown, Dunoon, Inverclyde and Fairlee. This has been invaluable.

- None of our work could be done without the amazing group of volunteers who attend our sessions twice a week all year round. They are entirely part of the decision-making process. In all, this year they have attended 160 sessions at a rate of 3 hours per sessions. They have invested 7741 hours into making our community a buzzing place to be!
- Our board of trustees have spent over 560 hours attending 8 board meetings to support my role as the project manager of Grow 73.

We are so thankful for their time and for believing in our work.

"It's been wonderful to get support and learn so much about compost and growing from seed, something I had never done before. To learn the joy of growing things together as a community and cooking what I have grown for other people, and the health benefits of that, and having Grow 73's support and access to their wealth of knowledge is something to be treasured and I am so grateful for. You and Dave are so patient and kind".

"The volunteers are so devoted. I feel hope and happiness every time I get the privilege to go to Grow 73 sessions and take part in conversations about growing vegetables and plants with all the wonderful volunteers. Such kind, good people."

"The joy of having had a raised bed has taught me so much. Without Grow 73's support I would never have had the confidence to grow things. It's been a life changing experience. It really helps to get hands in the soil - it fills your soul which can sometimes be so overwhelmed with the sadness of life and when navigating mental health. It brings peace, calm, purpose and support."

Financial overview

Grow 73 ended the financial year to 31st March 2025 with total funds of £66,132 (an increase of £35,895 from 31st March 2024). Of this total, £17,614 are held as 'restricted' funds, ie funds which can only be used for particular restricted purposes, restrictions normally having been specified by the funder(s). The residual unrestricted £48,518 includes the sum of £14,400 held as 'reserves' as detailed in the Statement of Reserves Policy.

INCOME

Total Grow 73 income for the year amounted to £126,849. The main source of funding continues to be grant funding, supplemented by funds raised by community events and donations from organisations and individuals.

Major sources of funding include:

- The National Lottery
- People's Postcode Lottery
- Scottish Government Strengthening Communities Programme
- Scottish Government Communities Mental Health and Wellbeing Fund
- Lanarkshire Climate Action Hub
- Tailors of Rutherglen
- ACE Place Nursery

EXPENDITURE

Total Grow 73 expenditure for the year amounted to £90,954.

The most significant expenditure items are salary costs for the Project Manager and Climate Action Officer, both of which are full-time posts.

Much of the remainder of the expenditure was related to the ongoing development of the Community Garden in Overtoun Park, as well

as supporting the work of Grow 73 throughout Rutherglen and Cambuslang.

Further details are outlined in the Financial Statement which accompanies this report.

STATEMENT OF THE CHARITY'S POLICY ON RESERVES

In order to manage the risk of fluctuating income in an uncertain funding environment, and to support financial sustainability of operations in the event of insufficient income whilst alternative sources are sought, the Board of Trustees has designated a portion of Unrestricted funds as a Contingency Reserve. The amount of the Contingency Reserve is currently £14,400 (2024 £nil) and is based upon two months average running costs.

Future Plans

COMMUNITY GARDEN

- Fruit cage harvest
- Fruit trees harvest
- Development of bowling green 3 into a therapeutic garden supporting biodiversity and sculptures
- Water connection finalised
- Social space built
- Woodland cleared
- Chicken pen built
- Fruit trees arch
- Delivery of horticulture course by Grow 73 to support young people into employment
- Sale of produce to generate income: increase and develop fund-raising activity including selling produce.

COMMUNITY GROWING

- Maintaining current community growing areas in the Camglen (Cambuslang and Rutherglen) area
- Assist R:evolve with the development and maintenance of the growing area at their Cambuslang HQ
- Support partners through the Greening Camglen network to develop growing across the area and make connections with other organisations.

- Generate income towards a more sustainable charity through training/ selling produce/ developing school gardening etc...
- Outdoor cooking and or supporting a local community café with our produce.

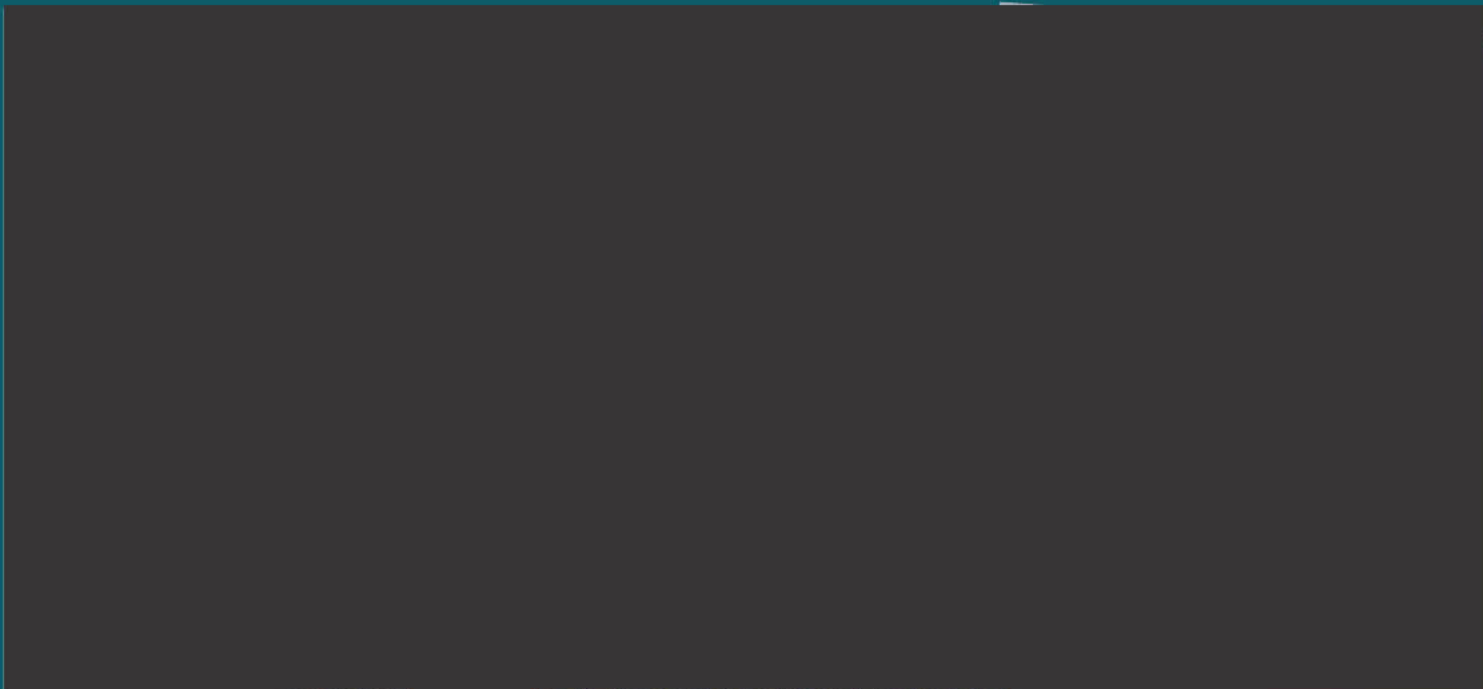

EDUCATION

- Continue supporting links with local educational establishments to encourage growing, environmental awareness and climate change
- Develop already established links with local nurseries to encourage outdoor learning
- Develop horticulture course to be delivered at Grow 73 to support young people into employment

VOLUNTEERING AND ORGANISATIONAL

- Continue the development of volunteer strategy to encourage and enable more people to volunteer with the organisation
- Review structure and employee needs within the organisation
- Maintain employment of community gardener
- Maintain and develop more partnership working.

**INDEPENDENT EXAMINER'S REPORT TO THE MANAGEMENT COMMITTEE OF
GROW 73**

FOR THE PERIOD 1 April 2024 to 31 MARCH 2025

I report on the accounts for the period ended 31 March 2025 set out on pages four to nine.

Respective responsibilities of the management committee and examiner

The management committee are responsible for the preparation of the accounts. Grow 73's constitution states that an independent examination is required.

It is my responsibility to:

- examine the accounts to ensure that they have been prepared in accordance with general accounting principles
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

An examination includes a review of the accounting records kept by the group and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as officers concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that, in any material respect, the requirements

- to keep accounting records; and
- to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the community group.

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE PERIOD 1 April 2024 to 31 MARCH 2025

1. ACCOUNTING POLICIES**Basis of preparing the financial statements**

These financial statements have been prepared on the Receipts & Payments basis.

Income

All income is recognised in the Statement of Financial Activities, once Grow 73 has received the funds and it can be reliably measured.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on a payments basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Fund accounting

Unrestricted funds can be used in accordance with the Grow 73's objectives at the discretion of the committee.

Restricted funds can only be used for particular restricted purposes. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

In line with OSCR guidelines, the Board has designated a portion of Unrestricted funds as a Contingency Reserve of £14,400 (2024: £nil) in order to manage the risk of fluctuating income in an uncertain funding environment and to support financial sustainability of operations in the event of insufficient income whilst alternative sources are sought. The amount of the Contingency Reserve is based upon two months average running costs.
