Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of the arts, heritage, culture or science'

What the charity does: Essentially, to support thinking in the long-term, and generate educational materials which will inspire others to contribute to longer-term visions and stewardship legacies.

Beneficiaries: 'Children or young people', 'Older People', 'People with disabilities or health problems', 'People with a particular ethnic or racial origin', 'Other defined groups', 'No specific group, or for the benefit of the community', 'Other charities or voluntary bodies'

Objectives: o To cultivate an essential research program "After the Horizon", material which is centred upon documenting long-term human legacies. crucial records primarily intended to be beneficial for posterity stewardship applications. o To establish an introductory, micro-etched archive that will ensure the preservation of this catalogue of information over intervals of deep time. the 'Companion Guide to Earth' archive. o To responsibly communicate the enduring nature of these perennial legacies, and potential adverse impacts, to contemporary audiences. o To foster unique outreach and engagement projects within these diverse subject areas for the betterment of these contemporary audiences. o To produce a variety of educational research publications and other materials needed for the above long-term applications. o To contribute peer-led research, ethical considerations and public knowledge to qualitative investigations that aim to address some of the profound questions facing posterity generations. o To encourage international, cooperative learning between different ethnic backgrounds, language speakers and parties with specific accessibility requirements across national borders. o To support similar initiatives through the sharing of

research resources that will facilitate the above aims. o To strengthen responsible stewardship of common environmental resources in the present day.
