Financial Review

The church has grown in attendance during the year and with the support of its staff, volunteers and congregation has generated a positive and acceptable financial outcome for the period.

Principal Funding Sources

The principal income to the Church will come from the freewill giving of the congregation by way of tithes and offerings.

Investment powers and other policies

We will review our policies in accordance with the latest GDPR and Volunteer Services information and legislation.

Reserves Policy

The Charity will strive to have sufficient reserves for a minimum of a 3-month period and will endeavour to maintain at least this position.

Missions Giving Policy

The Bridge Church Ayrshire SCIO, with the agreement of all trustees, will be committed to aiming to give at least 10% of its future income (excluding grant funding, gifts & donations and other restricted funds) to various other missions, Churches and ministries.

Included in this giving will be:

Care for the poor, infirm & vulnerable, widows and orphans, and those impacted by the trauma of addictive behaviours, both directly and indirectly.

Overseas missions, orphanages, gospel crusades and clinics.

Pioneering Churches and bible schools both national and international.

Hospitality and respite for missionaries, ministers and other Church and missions workers, both nationally and internationally. This includes hosting them while with The Bridge Church and assisting them with equipment and materials for the work of their ministry.

Support for youth and children's work in the community.

Recommendations for Missions Giving are to be considered, formally approved and minuted by the Board of Trustees.

Plans for Future Periods

With the UK still deep in a Cost-of-Living crisis and with inflated core living costs on the increase, especially in the areas of utilities, fuel and food, it remains apparent that the church has an important, and vital role to play in the personal welfare of our community's citizens.

Funding for our winter Heat Hub has been used to maximum effect. We are currently investigating funding sources to continue. The church has provided this service with whatever resources are available to us.

The upgrading of our premises and the insulation of same is still subject to securing funding, this is ongoing.

Other ministries, particularly the young generations ministry requires our focus and investment, both in resourcing activities and the training and development of volunteers and staff. This area will be a more key focus in 2025/2026.

Trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period.

In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with legislation. They are also responsible for safeguarding the assets of the charity and the group and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Governing Document

The Bridge Church Ayrshire SCIO is a registered charity and is governed in accordance with The Bridge Church Ayrshire SCIO Constitution.

The mission statement of the Church is “to bring a message of faith, hope and love to all people” and the Church has set up a whole range of ministries, activities, community groups and initiatives to reach out and help people.

Recruitment and Appointment of Trustees

Members of the Church Board are also charity trustees for the purposes of charity law.

Trustee Induction and Training

The charity continues to employ the expertise of, and consult with Trust Advice and remains abreast of current charity law and compliance.

Organisation

The Bridge Church Ayrshire SCIO has a Board of Trustees made up of 3 people. The Board plan to meet bi-annually circumstances permitting. The Board are responsible for the strategic direction and policy of the Church. The Board members have a variety of professional backgrounds relevant to the work of the charity including the fields of ministry, business, education, accountancy, and care professions.

A small team of paid staff will carry out much of the day-to-day operations of the Church. This team will consist of three Ministers, one part time Financial Administrator, and a part time cleaner. This year, funding permitting, we would like to employ a part time Community Project Co-ordinator. In addition to this small team of paid staff, much of the operations of the Church will be carried out by a team of unpaid volunteers who make up the volunteer leadership team. This volunteer leadership team will give strength and structure to the many different ministries, outreach groups and other activities that will be carried out by the Church.

The Bridge Church Ayrshire SCIO is an independent non-denominational Christian Church. The Church will endeavour to work to best practice in all areas in accordance with local and national policy.

The Church also has strong affiliations with other churches and ministries internationally in countries including, South Africa, Ghana, the USA and Australia.

Pay Policy for Senior Staff

The pay of the senior staff is reviewed annually.

Risk Management

The Board are aware of the need to have a risk management strategy in place and will ensure that this is carried out. This will comprise of:

- an annual review of the principal risks and uncertainties that the charity faces;
- the establishment of policies, systems and procedures to mitigate those risks identified in the annual review; and
- the implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

It is recognised that financial sustainability is the major financial risk for the charity. A key element in the management of financial risk is a regular review of available funds. Attention will also be focused on non-financial risks arising from fire, health and safety and food hygiene. These risks will be managed by ensuring accreditation is up to date, having robust policies and procedures in place, and regular awareness training for staff and volunteers working in these operational areas.

Independent Examiner's Report to the Trustees of The Bridge Church Ayrshire SCIO

I report on the accounts of **The Bridge Church Ayrshire SCIO** for the year ended 31 March 2025

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Date: 28 August 2025
