OSCR Report for 2024

We went through the process of changing from a Charity to a SCIO during 2018.

Unfortunately we have not been able to complete the process as we needed to get information from the Land Register with regards to the title deeds to our church building. The application is currently being sought and once this has been processed we will have completed all necessary paperwork to become a SCIO.

Due to the above no activities were undertaken.

(This process has now been completed as of January 2025).
