Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of citizenship or community development', 'the advancement of the arts, heritage, culture or science', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: In 2024, we continued to support our members and community through person centred peer support, promoting social integration and providing practical, emotional and social support to asylum seeking families living in Southwest of Glasgow area and Assisted with social inclusion and integration through sightseeing hospitality and social events.

Beneficiaries: 'Children or young people', 'Older People', 'People with disabilities or health problems', 'People with a particular ethnic or racial origin', 'No specific group, or for the benefit of the community', 'Other charities or voluntary bodies'

Objectives: 4 The organisation's purposes are: 4.1. To establish a community Hub, in conjunction with other service providers. Identify issues and needs within the community. To develop and build strong relationships which will facilitate openness and collective action, in the journey to community empowerment, underpinned by Equality and Diversity. 4.2. To address the cross culture shock experienced by both native Scottish and new Scots (i.e. those not indigenous to Scotland) due to differences in family structures, cultures, beliefs and values. 4.3. To explore Scottish and African culture, family traditions, ties and practice from birth to grave. Retention of cultural identity, beliefs and values. through general storytelling, Arts/Crafts, cooking and sharing food, learning and language. 4.4. To raise awareness of Gender Based Violence (GBV) in challenging abuse against women, men and children. Particularly those from countries where the culture, religion, upbringing, beliefs, background and family ties discriminate against women and girls. 4.5. To integrate Ethnic Minorities

and migrants into the local community through workshops and mentoring scheme, helping members to develop support networks and to build up their confidence. 4.6. To support the education of children and young people living in Glasgow, particularly Africans and Ethnic Minority through homework/afterschool club and other educational activities.

Achievements and performance

Summary of the main achievements of the charity during the financial period

In 2024, we continued to support our members and community through person centred peer support, promoting social integration and providing practical, emotional and social support to asylum seeking families living in Southwest of Glasgow area.

Assisted with social inclusion and integration through sightseeing hospitality and social events

We provided support by accompanying an asylum seeking family to their immigration tribunals and submitted letters of support

We provided volunteer transport enabling asylum seekers to attend various critical meetings with their legal team .

We gave practical support in mentoring and encouraging a families school children through a difficult school year

We provided transportation and mentoring to children and young people to encourage and support their involvement and interest in sports such as football, rugby and basketball.

We gave hospitality to an asylum seeking family in our homes and helped with social integration outdoors and in our homes.
