Objectives and activities

Charitable Purposes

The charities mission is to *"help improve the lives of all disabled powerchair users in Ayrshire, by reducing social isolation and engaging the whole community through the sport of Powerchair Football."*

The club became a registered Scottish charity in December 2018.

The charities aims are as follows:

1. to provide recreational opportunities to all powerchair users in Ayrshire with the object of improving their quality of life. No-one will be discriminated on grounds of race, sex, religious beliefs, political views or other opinion.
2. to advance the public participation in sport by providing coaching and playing opportunities through membership of the national league, as well as developing strong relationships across the private, public & voluntary sectors.
3. the promotion of equality and diversity by: encouraging disabled people to participate in the sport of powerchair football and associated activities, thus encouraging inclusiveness within society.
4. To provide the training facilities and equipment to assist and enable powerchair users to play powerchair football.

Summary of Main Activities

The club offers powerchair users a chance to play powerchair football for fun and also the opportunity to be part of a team. The club is based in Ayr but has players from across Ayrshire. The Club has a training session on a Tuesday at Kyle Academy in Ayr between 6 PM and 9 PM. This year the club's first team has began training on the occasional Thursday evening between 5 PM and 7 PM so that the first team can be better prepared for competitions.

The club ended 2025 with a membership of 11 players with some players playing for fun and others playing competitively. The club regularly has between 7 and 11 players attending training every week. The team competes in the National League and Cup competitions. We have 2 paid coaches and a volunteer coach who work together to coach the players at training and help out on competition weekends.

The Club has a storage cupboard just off the sports hall for the club's chairs and equipment. The club has 7 of its own powerchairs which were bought with either money from various grants over the years or were donated to the club. New players or players who can't afford to buy their own chairs play in these 7 club chairs. Players also have the option to play in their NHS 'day' chairs with a bumper attached to the front of their chairs while we also have players who play in their own "powerchair football" chairs.

Over the last 12 months we have continued to apply for grants and were successful in obtaining funds to help cover the costs of hall hire and coaching. The players pay £15 a month membership fee. Irwin Mitchell were once again our main sponsor last year and they have agreed to continue sponsoring the club for the 2025/2026 season.

In July 2025, the Tigers celebrated 10 years as a team. A football tournament was organised for the 19th and 20th of July at the Inverclyde National Training Centre in Largs. Teams invited were Strathclyde PFC, FC Untied and Middlesbrough PFC to participate in a friendly extent competition and celebrate this milestone in the Tigers history. Over the course of the two days, 7 matches were played with the Tigers participating in 3 of these matches. Middlesbrough won the tournament having won all three of the games they played, beating Strathclyde in the final with a score of 2-0. The Tigers took this tournament as an opportunity to give inexperienced players the opportunity to play against those who have played numerous matches and get a feel of what to expect in further matches within the League. This tournament provided a chance for players to talk about the differences between the Scottish and English powerchair football leagues and talk about their experiences within the sport.

Ayrshire Tigers held their Annual Awards Night/Christmas night out in December at the Riverside Hotel in Irvine.

The Club held its fourth AGM in April 2025.

Structure, governance and management

Type of governing document

The charity is a Scottish Charitable Incorporated Organisation (SCIO) and is therefore governed by a SCIO Constitution. It was registered in its current legal form on the 14th December 2018.

The structure of the organisation consists of the members who have powers to appoint those who will serve on the board and take decisions on changes to the constitution itself and the board, who generally control the activities of the organisation. The people serving on the board are referred to as Charity Trustees.

The trustees are responsible for the strategic direction and governance of the Club, whilst the responsibility of coaching the players and running training sessions and match days is delegated to the head coach and their assistant, both of whom are paid members of staff.

The head coach attends the trustee meetings on occasion to discuss progress and development. Our staff and volunteers all have disclosures under the Protection of Vulnerable Groups (PVG) Scheme.

Trustee recruitment and appointment

The management committee, which normally meets every six weeks, are the charity's trustees. Membership of the management committee is open to all parents and guardians of players at the Club. To allow for some continuity of the committee it is also open to interested members of the community. Trustees are elected at the annual general meeting. There must be a minimum of four and a maximum of eight trustees.

Prospective trustees are required to complete an application form and be interviewed before being co-opted if a meeting of the Board agrees. They then need to be elected at the AGM. Any other member of the organisation can stand for election to the Board at this time.

Trustees appointed in accordance with the constitution.

No new trustees appointed during 2025.

Achievements and performance

Season 2024/2025

The first competition of 2025 was Match day 2 of the Scottish Championship. Going into Match Day 2 the Tigers were lying in third place in the league on 3 points. Tigers won their first match against Strathclyde Caledonia 8-0 with some fantastic goals from our team. 2nd game we drew 0-0 playing an excellent game and not conceding any goals

The Tigers next competition was the League Cup semi-finals at the beginning of March. Tigers came head-to-head with Strathclyde Bravehearts, the team played excellently but unfortunately lost 4-2.

Match day 3: On this match day the Tigers had three games. We drew the first game 2-2 but unfortunately lost the last two games (3-2 and 5-1 respectively).

Match day 4: This was the last match day of the season seeing us beating Strathclyde Caledonia 3-0. This meant we finished the season in 3rd place with 17 points.

Figure 1: Final League table from SPFA season 2024 – 2025

Season 2025 - 2026

This season unlike others the SPFA have struggled to secure an appropriate venue for league matches. This has resulted in league matches moving from Stirling to Dundee.

The Tigers 2025/2026 season started with the team travelling to Dundee to play in the league cup. This was the Tigers first match being coached by new head coach Jake Vulkan. Unfortunately some players couldn't travel because of either ill health or other commitments. Current premiership champions Strathclyde proved too strong in the first round. This resulted in the Tigers dropping down to the league cup plate play-offs with the Tigers losing 4-0 to Strathclyde Caledonia in the first play-off match. However the Tigers had to play the full match with only 3 players. Rhys had a problem with one of his wheels which Jim managed to fix before the final game. Back up to full strength the Tigers narrowly losing to Dundee United 2-1 in the final play-off match. The Tigers goal was scored by Rhys who finished off a great team move with a fine strike from distance! Unfortunately, the team didn't qualify for the league cup plate final which was won by Strathclyde Caledonia.

The Tigers next competed in the first round of Scottish championship matches in October. We started off our league campaign brilliantly, winning both our games 1-0. Match day two took place on the 30th of November with the Tigers having mixed results, having lost their first game 3-1 but winning their second game 4-0. The tigers played great as a team and showed their fighting spirit. Going into match day three in January 2026 the Tigers are lying in second place in the league.

The South Ayrshire Volunteer Awards were held in Ayr Town Hall on Thursday 5th of June, to recognize and celebrate the contributions of volunteers in South Ayrshire. Stuart and Adam were nominated for a Silver award which is awarded for between 5 and 10 years of service.

Financial Review

For more details on club finances during 2025 please refer to enclosed annual accounts and treasurers report.

Statement of the charity's policy on reserves

All monies held within the account are for the sole benefit of the club to allow it to be sustained and increase participants.

The trustees' policy is to maintain reserves at around 8 months of normal running costs in order to meet commitments and to cover any unexpected expenditure. Eight month expenditure stands at £12,500. Reserves at the end of the year were £20,776 which is well in excess of the target range.

Details of any deficit

No deficit. Balance of account on 1st of January 2025 was £10,921.42 and the closing balance was £20,775.58 on 31st of December 2025. Surplus was £9854.16 for 2025.

Donated facilities and services

Hall hire at Kyle Academy in Ayr provided by South Ayrshire Council at a reduced rate

Future Plans

For the year 2026 the club's plans are as follows in order of priority:

- To win the 2025/2026 Championship
- Be able to have 2 teams competing in the Scottish Powerchair football league in the 2026/2027 season
- To increase our membership from 11 players to 15 players. This will hopefully be achieved by continuing to approach local primary and secondary schools that have powerchair users and by advertising online and in the local press.
- Organise a trip down to Middlesbrough to play our partner club Middlesbrough PFC.

Declaration

The trustees declare that they have approved the trustees' report above.

Treasurer's Report for 2025

Overview:

On the 1st January 2025 we began the year with a cleared balance of £10,921. The financial year from January 2025 to December 2025 has seen a total income of **£28,410** against total expenditures of **£18,555** resulting in a **surplus of £9,854**. This has primarily been driven by a good success rate with funding applications. The club had a closing balance of £20,776 to take into 2026.

Income Summary:

Total income this year was **£28,410**, from the following key sources:

- **Memberships:** £1,650
- **Grants:** £19,930
- **Sponsorships:** £1,000
- **Fundraising and sponsorship for 10 year anniversary event:** £3,746
- **Donations:** £1,550

The most significant source of income is from grants accounting for 70% of income. The club is over reliant on grant funding which is unlikely to be sustainable in the long term. The club should look to increase revenue from fundraising, sponsorships and donations.

It was agreed at last year's AGM (May 2024) that membership fees would be increased from £10 a month to £15 a month (starting from June 2024). Therefore, the membership fees over the year (£1,650) were increased by £460 compared with 2024.

The club did not have to use reserves to fund 10 year anniversary event. We were able to raise around £5,000 for the step Foundation, New Land Assets, Unison South Ayrshire, Ayrshire Sportsability, and James Wylie & Sons. We actually had some money left over after this event which was put towards coaching and hall hire costs.

Expenditure Summary:

Total outgoings amounted to **£18,556**, distributed as follows:

- **Venue Hire:** £2,255
- **Equipment s Maintenance:** £1902
- **Affiliation fees:** £755
- **Coaching wages:** £4,187
- **Van Hire:** £744
- **Strips,Hoodies & Polos:** £959
- **10 year anniversary event:** £4,889
- **Other (insurance, advertising Awards, etc.):** £2,865

Leaving aside the one-off cost of the 10 year anniversary event, the most significant cost is coaching, which accounted for nearly a third of all expenditure. For the next financial year, it is anticipated that there will not be any costs for the van hire and reduced costs for club clothing. Coaching and venue costs will be increased.

Treasurer's Report 2025

(cont'd)

Hall hire costs have been reduced from £3635 in 2024 to £2,250. Looking forward to 2026 hall hire costs should be around £3300 which includes extra sessions for the first team on Thursdays at St Josephs Leisure Centre in Kilmarnock.

Coaching costs have increased from £3,800 to £4,200 mainly because of increasing the hourly rate for coaches from June and having additional sessions on Thursdays towards the end of 2025. It is anticipated that coaching costs for 2026 will be in the region of £6,400. This is mainly due to increasing the hourly rate for coaches and based on the assumption we will have 7 additional sessions on Thursdays.

Looking forward to 2026 assuming the club achieves the same income from membership fees, sponsorship and fundraising in order to maintain our balance at the start of 2026 we need to be successful in securing in the region of £10,000 from grant funding.

Account Balances as of December 2025: £20,776

- **unrestricted funds:** £14,326
- **restricted funds:** £6,449

Key Concerns:

- Ongoing high coaching and to a lesser extent hall hire costs remain a financial pressure.
- Sponsorship and fundraising remain relatively low when compared with overall income extent and could be strengthened.

Recommendations for 2026:

- Increase focus on sponsorship and regular giving to diversify income.
- Continue focus on grant applications or partnership funding to support high-cost areas.
- Set up fundraising subcommittee to increase focus on fundraising opportunities

Section C Notes to the Accounts

C1 Nature and purpose of funds (may be stated on analysis of funds worksheets)

1. Basis of Accounting
 These accounts have been prepared on the Receipts and Payments basis in accordance with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

2 Nature and purpose of funds
 Unrestricted funds are those that may be used at the discretion of the trustees in furtherance of the objects of the charity. The trustees maintain a single unrestricted fund for the day-to-day running of the Club. During the year, the club received grants, sponsorship, and donations which were for the general running costs of the charity for example purchase of club strips and training tops, Hall hire, coaching costs, insurance and the purchase of equipment and maintenance.
 Restricted funds may only be used for specific purposes. Restrictions arise when specified by the donor or when funds are raised for specific purposes. During the year the club received a number of grants specifically for coaching, hall hire, van hire and fuel costs. These funds were put into the restricted fund
 £1250 sponsorship received in November 2024 for 10 year anniversary event was kept in the restricted fund to be used towards cost of event.

3 Related Party Transactions
 The Club's insurance policy includes Trustee Indemnity Insurance for all its trustees. No other remuneration was paid to the trustees or to any connected persons during the year.
 Travelling expenses totaling £106 were paid to two coaches during the year for travel expenses to enable them to attend match days.

The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the accounts.</p>
