Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of citizenship or community development', 'the advancement of environmental protection or improvement'

What the charity does: Our charity creates a welcoming, trauma-informed space where people facing poverty, isolation, and hardship can access nutritious food, practical support and build community. We redistribute surplus food with dignity, offer warm spaces and drop-ins, and run inclusive, volunteer-led activities and fun days. Our services are low-barrier and shaped by lived experience, with a focus on safety, choice, and empowerment. Volunteers are central to our work, supported through clear onboarding, peer mentoring, and flexible roles. We collaborate with local partners to strengthen networks and promote sustainability. Our values—compassion, dignity, equity, accessibility, and collaboration—guide everything we do. We envision a community where everyone feels safe, connected, and able to thrive.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: 1 organisation's purposes are: 1.1 The advancement of community development and social welfare of all. 1.3 The promotion of equal opportunities for all. 1.4 The promotion of environmentally friendly lifestyles and reducing food waste.

Chairperson's Summary

As Chairperson, I'm proud to be connected to the work of the Lochee Community Larder and Café—two vital lifelines at the heart of our neighbourhood.

In a time of rising costs and deepening inequality, our community has responded not with despair, but with determination. The Larder and Café are more than just places to access food—they are spaces of dignity, choice, and connection. Every week, thousands of people walk through our doors not only to receive support, but to take part in shaping a more inclusive and resilient future.

Our model is rooted in the belief that everyone deserves access to nutritious food, financial advice, and the power to make choices about their own lives. Whether it's selecting fresh produce from the larder or sharing a hot meal in the café, we ensure that no one is left behind—and that every person is treated with respect.

This work is only possible because of the strength of our volunteers, staff, and wider community. Together, we've built something extraordinary: a welcoming, trauma-informed space where people are nourished in body and spirit.

Thank you for standing with us. Your support helps us continue to fight food poverty—not just with bags of food, but with hope, dignity, and the belief that everyone deserves a seat at the table.

Objectives and activities

Lochee Community Larder & café SCIO exists to reduce food poverty, advance community development and promote environmental sustainability in Dundee and surrounding areas. Our work is rooted in dignity, inclusion and trauma-informed practice, ensuring everyone – regardless of background and/or circumstances – can access nutritious food, connect with others and contribute to a more resilient community.

During the reporting year we have delivered the following core services

Community Food Larder

- Provided free and low-cost groceries with dignity weekly, with no referral required.
- Operated on a choice-based model, allowing people to select items that suit their needs
- Re-distributed surplus food from local supermarkets and suppliers, preventing waste and promoting sustainability

Community Café and Social Space

- Breakfast and lunch offered at no cost, as well as hot & cold drinks and cakes
- We offer a warm, welcoming environment where connections are built, peer support found, and no-one feels excluded
- Host volunteer-led events and gatherings, fostering inclusion and reducing isolation

Volunteer Engagement

- We support a growing team of volunteers, including individuals with lived experience
- Enabled meaningful participation in service delivery, operations and community outreach.

Impact

- By redistributing surplus food and offering low-cost groceries we reduce waste and promote sustainability
- Through partnerships and volunteer-led initiatives we divert usable items from landfill, we lower carbon-emissions and foster eco-conscious habits.

We continue to adapt our services to meet emerging needs, reduce barriers, and create inclusive spaces where everyone feels valued.

Structure, governance and management

Type of governing document

The Lochee Community Larder & Café is a Scottish Charitable Incorporated Organisation (SCIO) with voting members other than its charity Trustees. The SCIO is governed by a constitution, with charity Trustees being elected at the Annual General Meeting. Any vacant seats may be filled by a nomination and co-option by the existing Trustees during the year. All Trustees are volunteers and undertake activities to further the objects of Lochee Community Larder & Café SCIO as required with no remuneration or financial benefit received for their time.

General structure

The structure of the organisation consists of:-

the MEMBERS - who have the right to attend members' meetings (including any annual general meeting) and have important powers under the constitution; in particular, the members appoint people to serve on the board and take decisions on changes to the constitution itself;

the BOARD - who hold regular meetings, and generally control the activities of the organisation; for example, the board is responsible for monitoring and controlling the financial position of the organisation.

The people serving on the board are referred to as CHARITY TRUSTEES.

Trustee recruitment and appointment

At each AGM, the members may elect any member (unless they are debarred from membership) to be a charity trustee.

The board may at any time appoint any member (unless they are debarred from membership) to be a charity trustee.

At each AGM, all of the charity trustees elected/appointed shall retire from office – but shall then be eligible for re-election.

A charity trustee retiring at an AGM will be deemed to have been re-elected unless: -

they advise the board prior to the conclusion of the AGM that they do not wish to be re-appointed as a charity trustee; or

an election process was held at the AGM and they were not among those elected/re-elected through that process; or

a resolution for the re-election of that charity trustee was put to the AGM and was not carried.

Achievements and performance

Achievements and Performance

During the reporting period, Lochee Community Larder & Café SCIO made significant progress in advancing our charitable aims. We continued to grow as a trusted, inclusive space where people can access food, connect with others, and contribute to a more resilient local community.

Key Achievements

Food Access and Dignity

- Reached over 3,500 individuals weekly through our community larder, offering free and low-cost groceries with no referral required
- Provide more than 300 meals each week at no-cost to beneficiary, ensuring access to nutritious food, dignity in service, and support for those facing food insecurity.

Volunteer Engagement

- Hosted and trained volunteers from diverse backgrounds, including those with lived experience
- Developed accessible onboarding guides and visual checklists, improving confidence and participation

Community Connection

Some feedback received regarding our involvement in local community events

“The Lochee Larder and Café, in particular, play an incredibly active role. The volunteers always bring so much joy and excitement by dressing up in fancy costumes, with the Grinch being a crowd favourite. The children absolutely love it when the Grinch steals the light button just as the lights are about to be switched on!

But that's not all – the Lochee Larder and Café also help the kids from the Lochee Families and Children's Club create a unique light box, adding a special touch to the festivities. Their generosity extends even further as they donate food and sweets for the club's Christmas party. Whether it's for the main Christmas event or the kids' Christmas party, the support and contributions from the Lochee Larder and Café are always immensely appreciated.”

Additional Community Initiatives

Schools: Feedback on our project working with the local primary 6 pupils.

“The school has developed a fantastic working relationship with the Lochee Larder. Pupils from the school have been benefiting greatly from cooking lessons, where they not only learn how to prepare meals but also how to plan and budget for them. It's such a valuable skill for them to have!”

Gala Days – supporting local gala days and Easter Fayre with food provision and volunteers' time.

Future plans

As we look ahead, Lochee Community Larder & Café SCIO remains committed to deepening our impact, strengthening our systems, and expanding our reach. Our future plans are shaped by ongoing community feedback, volunteer insight, and the evolving social and economic challenges facing our area.

Our activities will continue to be guided by our commitment to trauma-informed approaches, ensuring safety, dignity and empowerment.

We have committed to a digital transformation to improve the coordination and accessibility for staff and volunteers. By expanding our use of online tools, including structured Teams workspaces and shared OneDrive systems, we will improve coordination and accessibility for staff. This will eventually include delivery of onboarding and training, with visual guides and step-by-step resources, helping to improve volunteer participation and build confidence.

We aim to grow and support our volunteer base by:

- Recruiting a volunteer Co-ordinator who will launch a structured onboarding pathway for volunteers with printable checklists and visual aids
- Offering flexible roles that reflect lived experience and personal strengths
- Creating peer mentoring opportunities to build confidence and connection

To ensure long-term impact, we aim to:

- Continue to adapt our services to meet emerging needs, reduce barriers and create inclusive spaces where everyone feels valued.
- Strengthen relationships with surplus food suppliers and local businesses
- Maintain and improve our collaborative partnerships and keep working closely with other local community groups.
- Seek funding to support core operations and capacity-building
- Explore new models for community-led governance and decision-making

Financial Review

During the reporting period, Lochee Community Larder & Café SCIO continued to operate with a lean budget, maximising the value of every donation, grant, and in-kind contribution. Our financial strategy prioritised sustainability, transparency, and direct community impact.

Our income or stock was derived from a combination of:

- Grants and charitable funding from our local authority and charitable trusts
- Individual donations, including regular giving and one-off contributions
- Corporate support, including food and non-food donations from surplus redistribution partners
- Fundraising activities, including community events and campaigns, especially our collaboration with Fans Supporting Foodbanks

Expenditure focused on delivering our core services and strengthening operational capacity.

Statement of Reserves Policy

Lochee Community Larder & Café SCIO maintains a reserves policy to ensure financial stability, continuity of service, and resilience in the face of unforeseen challenges. Our approach reflects the scale of our operations, the nature of our funding, and our commitment to responsible stewardship.

The charity holds reserves to:

- Cover essential operating costs in the event of delayed or reduced income
- Ensure continuity of core services, including food access and volunteer support
- Provide a buffer for unexpected expenses, such as equipment failure or emergency repairs
- Support planned investments in digital systems, training, and service development

Target Level of Reserves

Trustees have agreed a target of maintaining unrestricted reserves equivalent to three months of core operating costs. This level is reviewed annually and adjusted based on:

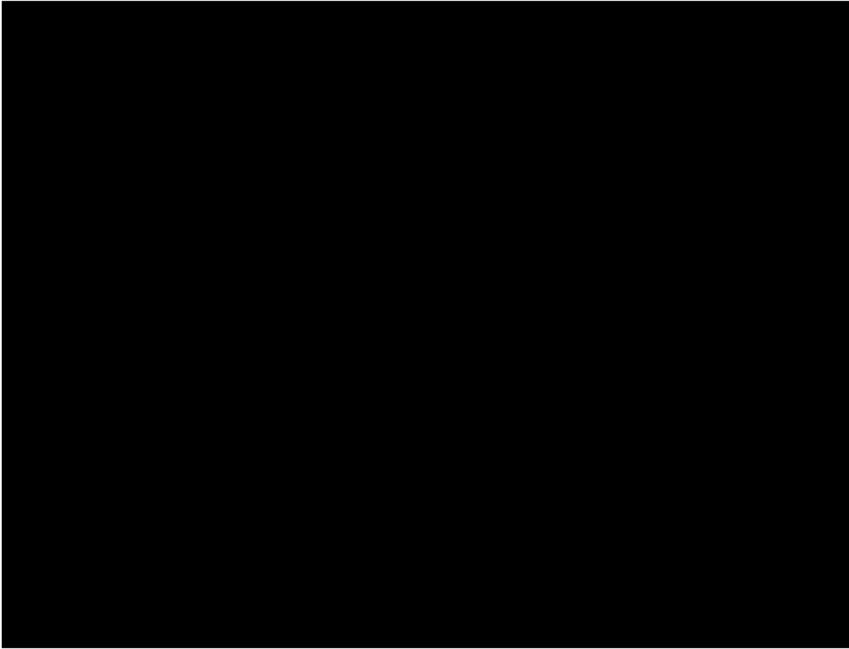

- Changes in service demand
- Funding landscape and income volatility
- Strategic priorities and planned growth

Review and Oversight

The reserves policy is reviewed annually by the board of trustees as part of the budgeting and risk management process. Any significant deviation from the target level is discussed and addressed through financial planning and fundraising strategy.

Respective responsibilities of trustees and examiner	The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.	
Basis of independent examiner's statement	My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.	
Independent examiner's statement	In the course of my examination, no matter has come to my attention (other than that disclosed on the attached page*) - which gives me reasonable cause to believe that in any material respect the requirements: - to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations have not been met, or - to which, in my opinion, attention should be drawn in order to enable a proper
