Structure, Governance and Management

Constitution

Ayr Lawn Tennis Club (ALTC) was registered as a Scottish Charitable Incorporated Organisation (SCIO) on 1 February 2019. Prior to that date ALTC operated as a Community Amateur Sports Club (CASC) and the assets of the CASC were transferred to the SCIO in November 2019 and the CASC deregistered.

Appointment of Trustees

At each Annual General Meeting of ALTC the members elect up to 10 individual ordinary members as elected charity trustees who will serve for one year and may be re-elected. The trustees may appoint up to two individuals as co-opted charity trustees who will also serve for one year and may be reappointed.

Since the year end ██████████ has resigned from the committee and as a trustee.

Objectives and Activities

Charitable Purposes

To advance public participation in sport through the provision of tennis facilities to benefit the community of Ayr and the wider Ayrshire council areas.

Activities, Achievements and Performance

The Club's LTA level 4 accredited coach aided by assistant coaches (levels 1 and 2) offered coaching to both senior and junior members, and also to members of the public to encourage their interest in tennis in the hope that they may join the Club. As well as individual coaching sessions, the coach offers doubles coaching, beginners coaching, cardio sessions and tennis for tots. Indoor coaching is also offered during the winter months at a local secondary school. The Club also holds Open Days for the public to visit the club, see the facilities and try tennis.

Various teams from the Club participated in regional competitions and leagues; the ladies first team coming top in division 1, the gents second team winning division 3, and the mixed doubles first team winning the league.

The Club had a record number of 10 teams compete in Ayrshire summer leagues from under 8s to under 16s age groups and currently have 4 junior teams competing in the Ayrshire primary indoor leagues. A good number of the Club's juniors are in Ayrshire squads and two players are currently invited to Tennis Scotland training. Throughout the year we have had six players selected to represent South of Scotland in County cups from under 9s to senior. There are currently over one hundred juniors in the coaching program and the aim for 2025 is to have more players competing in club matchplays, team events and individual events.

As part of the Club's aim to support the local community, residents and their families at Whiteleys Retreat (which offers respite care) have been given free access to the Club's courts at Seafield.

Financial Review

The Club is in a healthy financial position with a bank balance of £51k at the year end (2023: £43k). No capital works were carried out during the year whereas in 2023 a relatively small final payment for the new court lighting was made.

The main source of funding is subscriptions which are payable by members. This year members totalled 235 (2023: 259, the highest level for at least 10 years) and subscriptions were £25k (2023: £26k). New members totalled 41 (2023: 75).

Other income was £5k (2023: £7k). Coaching activities generated income of £3k (2023: £3k), £2k (2023: £2k) of which came from indoor coaching run at Belmont Academy during the winter months. Income from members of the public playing at Seafield from June totalled £0.8k (2023 from the opening in June: £0.6k).

Payments totalled £19k (2023: £25k). The main items were: £5k (2023: £5k) for coaching; £2k (2023: £4k including repairs to the surrounding paths (£2.4k of funding from South Ayrshire Council) for set-up and running costs at Seafield; £4k (2023 £3k) for court repairs/ maintenance;

Ayr Lawn Tennis Club
Annual Report and Financial Statements for the Year to 31 December 2024

£2k for insurance (2023: £2k); £1k (2023: £2k) for electricity. No expenditure (2023: £4k) was incurred for repairs to the wall and terracing at Southpark Rd.

The surplus for the year, after depreciation, was £1k (2023: deficit £2k).

Reserves Policy

The trustees' policy is to build up reserves in order to be able to finance the next resurfacing of the courts which is expected to be required in approximately 10 years time; the aim is to set aside £5k for Southpark and £3k for Seafield annually for this. These reserves are held on interest bearing accounts and expected use of these is as follows:

	2024	2023
	£ '000	£ '000
Resurfacing Southpark courts	20	15
Resurfacing Seafield courts	6	3
LED court lighting	4	2
Other capital projects and any major repair/ maintenance projects	17	16
TOTAL	47	36

Plans for Future Period

Repairs to the remaining stone walls surrounding the Club will recommence in the future and are expected to be completed over the next 5 years at an estimated cost of £9k.
