## Nature and purpose of funds

During the year, the Trustees observed that the incidence of unrestricted gifts to the charity were on the increase, representing the favour and affection in which the charity was held by the grateful families of veterans plus also other community groups and organisations within the local area. One bus driver made us their "charity of choice" over the Christmas period, decorating her bus with our branding and leaving a collection bucket at the front of her bus. This raised around £1800 for the charity. In similar vein, we were also granted permission to hold a bucket collection outside Fir Park, the home of Motherwell FC, at their home game closest to the date of Remembrance Sunday. This collection yielded £1058. We are grateful to all those who support the charity in this way as unrestricted income & reserves are an essential part of continuing the activities of the charity in between periods of grant-funding so that expenditures previously covered can still be met until new sources of funding can be secured. The charity also hosted an Open Day at the Hub during the summer of 2024 as a fundraising opportunity and also did some other smaller fundraising activities as well.

## Nature and purpose of funds

Previous "Restricted Funds" have now effectively all been utilised leaving only balances for the National Lottery and Veterans Foundation funding. National Lottery funding is about half way through their agreed 3-year grant towards Cafe & Hub staffing, part-time minibus driver, plus various Hub operating costs. The Veterans Foundation funding was completely expended by around June 2025 thus concluding their 2-year funding of various items of expenditure relating to our weekly Cafe and activity costs plus some contributions to general overheads. We are very grateful to both the National Lottery and the Veterans Foundation for supplying the necessary funding over the last couple of years to provide continuity for our established regular activities. A £20,000 grant from Officers Association Scotland was received during the year towards a pilot "VC Re-use" project whereby we will be able to take advantage of offers of household items and then store them securely before matching them with veterans in need. Due to challenges in locating a suitable storage facility and staff member the start of the pilot project was delayed so there was no expenditure against that restricted fund in the financial year in question. The project started during the 2025/26 financial year and is proving to be very successful.

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. ## Structure, governance and management

### Type of governing document

The Charity is a Scottish Charitable Incorporated Organisation (SCIO). It has a single tier structure and as such the Trustees are the members of the charity.

### Trustee recruitment and appointment

Any person who wishes to become a Charity Trustee must submit a written application to the existing Trustees, which would then be considered at their next meeting. The Trustees would then notify any applicant promptly by a face-to-face meeting with two existing trustees of the decision on whether or not to admit him/her to Charity Trusteeship in line with the values of the organisation and confirm this in writing or by e-mail.

## Objectives and activities

### Charitable purposes

The charity exists for the purposes of providing support to Veterans (those who have served in the Armed Forces of the UK and our allies) and their families.

This is principally achieved by the advancement of citizenship or community development, and the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage.

### Summary of the main activities in relation to these objects

To develop a Support Centre where former military service personnel, and their families, can meet and work together for the benefit of local communities. To provide activities that improve and increase community cohesion, promote interdependence, intergenerational relationships and kinship between people of all backgrounds, cultures and abilities. To provide information and advice to those veterans who require it and to signpost to relevant support agencies.

## APPENDIX 1

### Achievements and performance

#### Summary of the main achievements of the charity during the financial period

Throughout the year, the charity has continued to operate its existing Community Hub (VC Hub) in Craigneuk from Mondays to Thursdays each week and the weekly drop in café (VC at the KC) at the Kings Church in Motherwell on Fridays. The aim of the charity is to provide safe, social space where veterans can interact with others and also get help and assistance with any issues that they may be facing, delivered in conjunction with a variety of partners who provide specialist services. During the period, we have also continued to provide activities for veterans made more effective due to our minibus and a part-time minibus driver funded by part of the National Lottery grant, and all of our services and activities are provided free of charge.

During the year we identified an opportunity to serve Veterans further as we often encounter veterans in need, and at other times are offered household items which are available to be passed on. As we have exceptionally limited storage space, we have seldom been able to accept offers of available items but we were successful with a funding application to the Officers Association Scotland for a grant towards the hire of storage and staff member in order to develop a "VC Reuse" pilot project. This came in the form of one year's funding and although the implementation of this idea was later than hoped due to delays in finding a suitable staff member and location, this is now progressing well with a Part-Time manager who is responsible for the collection of donated items which are stored then given out to veterans in need. However, as at the end of this financial period the grant of £20,000 had been received but as yet there had been no expenditure.

### Financial review

#### Brief statement of the charity's policy on reserves

The charity has not yet been established long enough for the Trustees to feel that a formal Reserves Policy needs to have been created. The Charity's operations have been progressively built up based on a series of "Restricted" grant funds, but the Trustees are also reassured by the amount of "Unrestricted" donations beginning to flow into the charity from the families of grateful veterans and other supportive local organisations.

#### Details of any deficit

#### Donated facilities and services (if any)

## APPENDIX 1

### Other optional information

The charity continues to be indebted to its funders, staff, volunteers, partners, supporters in the form of families and friends of veterans, and the goodwill shown by the wider community, for donations of time, talent and financial gifts which have allowed us to develop our activities over the last year.

The charity has an income of less than £250,000 and as such is eligible to prepare its accounts on a Receipts & Payments basis. The governing document does not require the charity to prepare fully accrued accounts and neither does it require an audit.
