Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of citizenship or community development', 'the advancement of the arts, heritage, culture or science', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended', 'the advancement of environmental protection or improvement'

What the charity does: Victoria Park Community Trust (VPCT) is an umbrella organisation made up of Member Groups which have a vested interest in the park including The five local Community Councils, Friends of Victoria Park, The Fossil Grove Trust, Glasgow Eco Trust, The Butterfly Conservation Trust, Sunny Cycles and 2 Parkruns. It is tasked with coordinating and developing the aspirations for the park raised by the member groups and the local community. The Trust has signed a Participation Agreement with GCC to collaborate with them on the development and maintenance of the park. VPCT has developed an Action Plan setting out a vision of what might be achieved over the coming years to introduce new uses into those areas of the park which have fallen into disrepair (former blaes pitches, bowling greens and putting greens) as well as new ideas to meet the demands of the twenty-first century visitor.

Beneficiaries: 'No specific group, or for the benefit of the community', 'Other charities or voluntary bodies'

Objectives: The SCIO will operate as a charitable organisation and its purposes are: 2.1 To advance community development and regeneration by: 2.1.1 Undertaking community consultation, communication and by encouraging the community to propose suggestions for park projects and improvements. 2.1.2 Providing, maintaining and managing facilities which can be used for recreational, heritage and cultural pursuits in order to improve the wellbeing of the community surrounding Victoria Park and visitors to the area and to assist the advancement of community development. 2.1.3 Engaging and involving the local community in environmental issues and action, through information exchange and practical activities. 2.2 To advance and protect heritage by promoting the history of the park along with the history and heritage of the local area and community and to advance the education of the public. 2.3 The provision of recreational and leisure

activities through promoting and improving the park's facilities, thereby encouraging increased use, leading to the improvement and development of community spirit. 2.4 To promote and encourage the environmental protection, improvement and conservation of Victoria Park and to help conserve, enhance and improve the landscape, biodiversity and sustainable use of the area for the benefit of people and wildlife through liaison with the local authority and groups. Secure funding to enable the implementation of identified improvement projects.

Registered charity name Victoria Park Community Trust

Charity registration number SC049118

Principal office. 113 Norse Road
Glasgow
G14 9EQ

The trustees who served during the year and at the date of approval of the accounts, unless otherwise stated, were:

Independent examiner

Victoria Park Community Trust

Trustees' Annual Report (*continued*) Year ended 31 March 2025

Structure, governance and management

The charity is an unincorporated SCIO and its purposes and administration arrangements are set out in its constitution. It is a registered charity number SC049118

The constitution provides for up to 10 individual persons representing a member organisation and elected as Charity Trustees by the full members, plus up to three individual persons co-opted to ensure a spread of skills and experience within the board. New members are made aware of their responsibilities and are given a copy of the previous year's accounts and a copy of the Charity Commission leaflet "The Essential Trustee: What You Need to Know". The members meet regularly with the treasurer to monitor the finances of the Society and the administration of the Society is carried out by the secretary.

Objectives and activities

The objectives of the charity are to advance community development and regeneration, advance and protect heritage, provide recreational and leisure activities and promote and encourage environmental protection, improvement and conservation of Victoria Park in Glasgow's West End.

As part of this process we seek to promote constructive engagement between our member organisations for the mutual benefit of these and the wider community.

Achievements and performance - Chair's Report

This has been another positive year for VPCT with a number of projects having been completed, a highly successful fundraising campaign mounted to raise money following the damage caused by Storm Eowyn and continued ongoing engagement with the local primary schools.

The Trust has welcomed two new member organisations this year:

- Sunny Cycles, a cycling charity which operates free led rides out of the park 3 days per week; and
- Junior Park Run which host an event every Sunday morning attracting over 100 participants.

The Trust now has 13 member organisations.

During the course of the year Michael Herrigan re-joined the Board as the Trustee representing Scotstoun Community Council, ██████████ became the Trustee representing the Fossil Grove Trust and ██████████ resigned as Jordanhill Community Council Trustee, with his role taken on by ██████████.

██████████ resigned in October having served as a Trustee and Treasurer since the inception of VPCT. The Trustees thank him for his very great contribution to the work of the Trust over many years. His role as Trustee representing Broomhill Community Council was taken over by ██████████. His role as Treasurer was taken on by ██████████, the FoVP representative.

Successful projects this year include:

- The purchase and planting of 30 new specimen trees to replace those lost during Storm Eowyn which ripped through the park in January. The Trust opened up a public

Victoria Park Community Trust

Trustees' Annual Report (*continued*) Year ended 31 March 2025

fundraiser and raised over £6,000 in just over a month. The money was used to purchase the supply and delivery of the trees, wooden stakes, compost and tools for the project. In addition, the monies were used to engage the services of specialist wood carving artists to re-purpose some of the fallen trees into sculptural pieces as well as tables and chairs for an outdoor classroom for school visits.

- The purchase and installation of a useful storage container with monies from an Area Partnership grant. It is located near the tennis courts, and stores the tools and equipment used on a regular basis by volunteers working in the park.
- Repainting the outside of the toilet block by a local artist who has produced photo-realistic murals of wildfowl on all sides. This was funded by a direct grant from Glasgow City Council (GCC) and has proved extremely popular.
- The construction of 3 large insect hotels in the biodiversity garden as part of the ongoing work in this area. This was funded by an Area Partnership award.
- The 6 raised planters in the bowling greens were cleared out and fully replanted with new shrubs using a grant from Volunteering Matters Action Earth.
- Buying 3 small insect hotels using a grant from Volunteering Matters Action Earth.
- The purchase of a gazebo, a table and chairs for use at events and festivals, funded from an Area Partnership award.
- The installation of two lectern information boards for the biodiversity garden and the expressway planting, funded by an Area Partnership Award and a BUPA grant.
- A start has been made on re-vitalising the Arboretum, with a grant from the Mushroom Trust which allows for the fabrication of a new gate to improve access to this area.
- Work has started on preparing a Tree Trail for the park which includes identifying and labelling some of the more interesting specimen trees. Special botanical labels will be purchased using monies from an Area Partnership Award.
- Purchase of some much needed tools for use by volunteers in their work across the park. This was made possible by a grant from the Chestnut Fund.
- The Trust continues to provide advice and input to the ongoing proposals to improve the basketball courts which is being led by Glasgow Life. This project involves extending the court area to incorporate 2 basketball and 2 tennis courts, new surfacing and lining, new nets and posts and a new footpath access. The Trust attends the monthly working group meetings, and it is hoped that the work will be completed in 2025.

The Trust has organised, provided volunteers or paid for several events in the park during the year including:

- The Spring into Summer public consultation event in June in collaboration with Glasgow Ecotrust. This event was used to give members of the public an update on the work of the Trust. The event was also attended by 3 of the Community Councils and was supported by musical acts, Knightswood Model Boat Club, GCC Parks Rangers Service and the police and fire service.
- The Association of Ukrainians in Great Britain Family Fun Day in August which the Trust helped to organise and manage.

The Trust continues to work with the local primary school. Events have included the children helping to construct the insect hotels, learning sessions about fruit in the orchard and the importance of soils and art in the park events, led by a local artist.

The Trust has held monthly Trustees meetings throughout the year including the quarterly full Member Group Meetings. These meetings are now held in the Buffs Club at no charge. There

Victoria Park Community Trust

Trustees' Annual Report (*continued*) Year ended 31 March 2025

are many subgroup working meetings held between the main Trustee meetings in order to progress the planning and implementation of projects and events.

An arts strategy for the park is being developed, with [REDACTED] (Trustee) leading on it. She has made great progress in establishing relationships with artists and community groups.

The Trust organised one corporate volunteer event in July 2024, inviting 12 volunteers from the Engineering company AECOM to plant some shrubs in the planters in the bowling green area and to help clear some existing paths of debris.

As noted last year, a significant proportion of the funds received by VPCT have been granted by GCC. There is an increasing need to seek more of the funding from the private sector. In addition, there remains an ongoing need to find a secure source of revenue funding to support the work and running costs of the Trust. A subgroup has been established to develop a strategy for more pro-active engagement with private sector businesses that may lend support financially or by benefits in kind.

VPCT would like to acknowledge the ongoing support of the volunteers from Friends of Victoria Park at all the planting and other events which have been organised during the year.

The Trustees continue to be concerned over the poor functioning of the Participation Agreement with GCC. The Trust will continue to push very hard to achieve better communication and collaboration from the Council over the coming year.

Finally, we would like to thank the Council's Parks Department staff for their support, particularly with the tree planting project and for their work in maintaining and enhancing this beautiful park.

Financial review and Policy on reserves

The Trust received grants and donations totalling £19,639 and spent £20,583 on various activities, including toilet block repainting, planting trees and shrubs and buying a container for tools. This left a balance of funds of £7,946 at the year end

Reserves at 31 March 2025 stood at £7,946 of which £7,791 are restricted and £155 unrestricted.

The Trust needs to attract secure sources of unrestricted funding and has very limited capacity to absorb overspending on projects.

Policy on Reserves

Apart from the expenditure from restricted funds, the charity seeks to minimise unrestricted expenses, essentially insurance and the website. These expenses amounted to £420 in the year. Ideally the trustees would like to hold sufficient reserves to cover one year's unrestricted expenditure. As the unrestricted funds were £155 at the year end this has not been achieved but the Trustees are seeking to raise additional funding to build up the unrestricted reserves.

All the restricted funds carried forward are allocated to projects in 2025/26. The major outstanding project relates to donations received to replace the trees uprooted by Storm Eowyn and a related art project using some of the fallen timber. The Trust will also be improving access to the arboretum, providing activities for young people in the park, creating a tree trail and is running an art project for all pupils at a local primary school

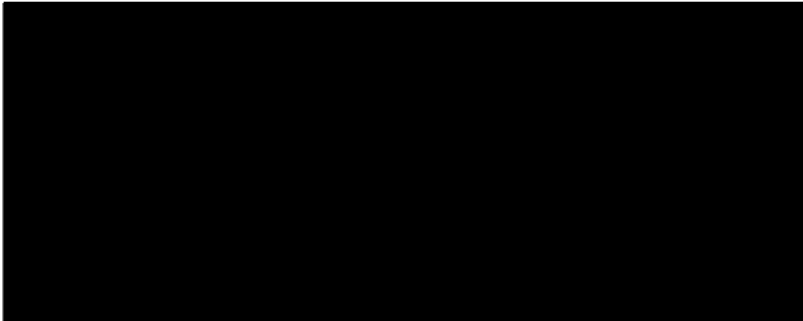

Victoria Park Community Trust

**Trustees' Annual Report (*continued*)
Year ended 31 March 2025**

Trustees' responsibilities statement

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustees Investments (Scotland) Act 2005, the Charity Accounts (Scotland) Regulations 2006, and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees' annual report was approved and signed on behalf of the board of trustees by:

Victoria Park Community Trust

Independent Examiner's Report to the Trustees of Victoria Park Community Trust Year ended 31 March 2025

I report to the trustees on my examination of the financial statements of Victoria Park Community Trust registered charity number SC049118 ('the charity') set out on pages 7 to 10 for the year ended 31 March 2025.

Responsibilities and basis of report

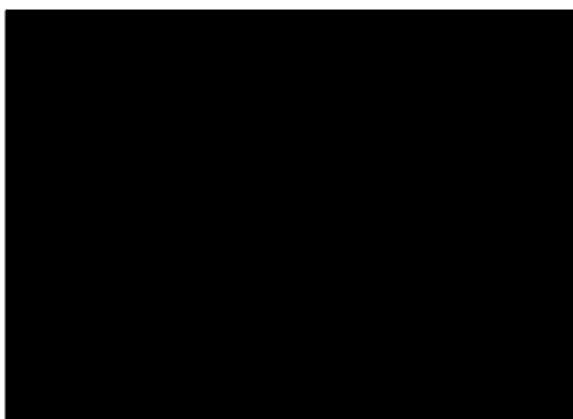

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) I of the Act and to state whether particular matters have come to my attention.

Independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
