## Achievements and performance

### Summary of the main achievements of the charity during the financial period

We continue to fundraise in the local community, and provide medical cover to local events.

We also have continued to offer free CPR and defibrillator training to any and all who want it, This included Cubs and Scout groups in Inverness local Gala's and events, and

We continue our support of the Scottish Ambulance Service as First responders. Responding to life threatening 999 in the local community.

Our responders continue to be Scottish Ambulance Wildcats –responding to Cardiac Arrests via the GoodSam app when out of hours.

We have participated in low land rescue efforts, most notably a community effort to find a lost boy on Fyrish in the late evening as it was getting dark. We were absolutely delighted to see so many local residents come out to hurriedly find the child of a tourist, and we know the mother was overwhelmed with the efforts from the people of Alness, Everton, Invergordon and even from Inverness to successfully find her son.
