Structure Governance and Management

Constitution

The Charity is a Scottish Charitable Incorporated Organisation (SCIO). It is governed by its constitution which was adopted on 1 February 2019 and has been formally amended to version 2. The charity was granted charitable status by OSCR on 26 April 2019.

Appointment of Trustees

The management committee, are the charity's trustees. Membership of the management committee is open to anyone with a genuine interest in the charity's activities.

Trustees are elected at the Annual General Meeting which is normally held in April or May.

Under the constitution, there must be a minimum of three and not more than nine elected trustees. A minimum of 3 trustees must be unrelated, currently there are 3 such trustees out of a total of 4.

Management

The trustees are responsible for the strategic direction and governance of the Club, whilst day-to-day running is delegated to the Chairperson, Treasurer and Secretary who attend any trustee meetings to discuss progress and development.

Objectives and Activities

Charitable purposes

Moray Baby Bank supports families of all backgrounds across Moray. We relieve those who are in need or in disadvantaged situations, by providing clothes, toys, food and equipment for babies from birth, to the age of two years.

Charitable Activities

Moray Baby Bank puts 'call-outs' via social media, for public donations of used and new baby clothes, toys, prams, push chairs, high chairs, cots, Moses baskets and other items in the age group from birth to 2 years old. We wash and clean every single item and check everything over to ensure it is both safe and hygienic. As well as referring clients who approach us directly, we work with various referral agencies in the Moray area. For the last two years, we have been a lifeline for midwives, health visitors, social workers, children's groups and crisis aid departments. When a Moray family in financial distress is identified, who cannot afford the essentials for their baby or toddler, they are referred onto the Moray Baby Bank to them as a way of obtaining the essentials they would need. We offer a 24-hour service to emergency services, if a family is in immediate risk, we are usually contacted by a social worker or health care worker.

A typical referral consists of a referral form, provided by one of our team members, listing all the baby items available. The form is strictly confidential and identifies to us what specific items that family needs. Once complete, we package up the items ticked on the form and deliver them to the family. Our headquarters is the private house of the Chairperson and Secretary. We store all our clothes and smaller items in a local shop/store which we rent. Prams which are awaiting washing and servicing are in our private garage. Clothes and larger items like cots, highchairs and prams are stored in a shed funded by the National Lottery, in our private garden.

Achievements and Performance

During this year, 216 referrals for help have been received which is a reduction of 50 from the previous year.

A new volunteer has been recruited, Anne Hislop, who has been helping putting referral packs together and organising the stock. We thank Anne very much for her help.

During this year, the charity has continued to successfully apply for various funding grants (all detailed below) these have helped us cover the raised expense of the non-reusable items such as car seats, mattresses, nappies, formula milk, wipes, food and other items- all of which we are constantly striving for since the recent increased cost of living crisis.

The electric van has been a continuing asset in allowing deliveries and collections to be carried out without using our own private transport. The cost of private electricity to charge the van are recouped from the charity, as are the energy charges for the process and materials for cleaning and maintenance of items donated to and provided by the Moray Baby Bank. We continue to rent the premises in Urquhart where we store all the clean and checked items that are 'ready-to-go', we tick these off our referral sheet and have the parcels, from this base ready for delivery.

In June, two Trustees were invited to attend the Queen's Royal Garden Party at Holyrood House Edinburgh. It was a great honour to be chosen. Susan and Ian Sutherland were chosen to go and they had a most enjoyable time. All accommodation and travel expenses were paid for from the charities un-restricted funds.

Local Fundraising

One local fundraising event took place, a Tombola which was quite successful raising nearly £800.

Financial Review

Our main source of funding this period has been from external funding applications and various private donations.

Plans for Future Periods

Within the last 2 months Susan's health has deteriorated and she has reluctantly decided to stop all charity activities when it is feasible to do so. Additionally, Ian is finding it more difficult to fit in all his commitments to the charity. The other trustees and volunteer have indicated that in the absence of Susan and Ian, they would not want to continue in their posts either.

At the time of writing, 2 new trustees have been identified and have agreed to be new trustees of the Moray Baby Bank with immediate effect. Their names are [REDACTED] both from Forres. At our AGM [REDACTED] will be voted on as new trustees. OSCR will then be informed of the new primary trustee name, the names of the other new trustees and those trustees that have stood down. Further meetings will take place to formalise the handover and all other practical requirements to ensure a smooth and efficient transition to the new trustees

This report was approved by the trustees at the Annual General Meeting on 18th June and signed on their behalf by:

I report on the accounts of the Moray Baby Bank Charity for the year ended 30th March 2023 which are set out on pages 1 to 5

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

My examination has been carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

In the course of my examination, no matter came to my attention and I am satisfied that the accounts are a true and accurate record of the Charity's accounts
