What the charity does: We are a small charity based in Riverside, Stirling entirely made up of volunteers. Our board is made up of five trustees, who are also volunteers. They are elected at the AGM each year. We started in 2019 with a mission to protect and enhance the green spaces in Riverside with bio-diversity and environmentally conscientious planning and management. We look after a Community Orchard, two riverside woodland gardens, the bee bed and other smaller projects. We host regular volunteer events to look after all the spaces and extra fun events - such as our Blossom Afternoon Tea and Orchard Day and participate in outreach events including supporting the local primary school and other local groups.
