FRIENDS OF STIRLINGSHIRE HISTORIC GRAVEYARDS (FoSHG ) ANNUAL REPORT  
2020 – 2021

SCO49273

It has been another quiet year for FoSHG .

The main project of raising money to carry out repairs in the graveyards continues to be stuck .

The first stage is to carry out a professional survey of all the graveyards to accurately record the work needed . This would then be used for grant applications . However ,the survey itself would cost £10-20,000. There have been various avenues explored for raising this money but, so far , none have been successful .

The question did come up as to whether or not the group should continue . At the moment a majority of the groups feel that it should - although many of the groups expressed their reservations if the situation does not move forward .

Individual groups have continued with their activities as far as has been possible with the limits imposed by Covid 19 restrictions .

For example , the group in Killearn have established a heritage trail which includes the graveyard . They have also been doing a lot of work to make information about individual graves accessible . The groups in Gargunnoch , Old Kilmadock and Old Logie continue to offer tours when allowed .
