Activities

Activities: 'It makes grants, donations, loans, gifts or pensions to individuals','It carries out activities or services itself'

Purposes: 'the advancement of environmental protection or improvement'

What the charity does: The British Dragonfly Society raises awareness about British Odonata species and their decline, and takes active steps to promote their study and conservation. We do this through practical conservation and by engaging people through events.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: 3. Objects The objects of the CIO are: (1) to promote and encourage the study, conservation and understanding of Odonata and their natural habitats, especially in the United Kingdom. and (2) to raise public awareness of dragonflies and damselflies.

Geography

- **Main operating location:** Outwith Scotland
