Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of public participation in sport', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended'

What the charity does: We are continuing to improve the aesthetics of the Club ground with improved access all around the green by hard pruning overgrown sections of the hedgerow. Removal of non native plants and trees from within the hedge and planting of evergreen shrubs will also make it easier to maintain and prune. A Club member donated a new entrance gate to the Club grounds making it much easier for our older members to open and close the gate. We secured funding from local grant bodies to purchase 4 sets of Junior Bowls which allowed under 12yo's to play at the club for the first time. We continue to promote the Club's existence within the Elgin community in the attempt to attract new members to the sport and act as a social hub throughout the summer months.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The Organisation has been formed to benefit the community of specifically Elgin but also the wider community of Moray (the 'Community'), with the following purposes (the 'Purposes'): "To manage and maintain Cooper Park Bowling Club for the purpose of promoting Bowling for leisure and recreation purposes for all age groups with a view to increasing public participation through a range of events.'.

Objectives and activities

Charitable purposes	The Organisation has been formed to benefit the community of specifically Elgin but also the wider community of Moray with the purpose of managing and maintaining Cooper Park Bowling Club pavilion and grounds to promote Bowling for leisure and recreation for all age groups with a view to increasing public participation through a range of events.
Summary of the main activities in relation to these objects	<p>We continue to look forward to the outdoor season, competing in external Leagues such as the +55 League, Highland Bowling Association and Banffshire Bowling Association competitions, being able to host and play away in 'friendlies' with other local Clubs and entering each others Open Competitions, which is an essential and a valuable source of revenue for all Clubs throughout the season.</p> <p>Despite not purchasing or applying the expensive chemical solution to kill the lacewing fly larvae in the autumn of 2024, there was less impact by crows in the spring of 2025 to tearing up the surface grass.</p> <p>Further aesthetic improvements were made in planting of perennial border plants at the hedge base.</p> <p>With the Club's proximity to the Elgin Cathedral ruins, we continue to see members of the public coming in to the Club to sit and watch us play. The addition of the Club's location to Google Maps has resulted in over 5000 views which also helps promote the Club's existence to the wider community.</p>

APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period

Year in year out the Club continues to break even financially. Principal Income sources are from Club membership, competition entries, raffles and kitchen sales, with additional funds raised through member donations, the website 'EasyFundRaising' and from Gift Aid rebate.

This income was balanced against ongoing expenditures such as Green and Club maintenance, Services and Insurance costs.

Club members entered the Scottish District 2 tournaments but although winning some early round games, we were unanimously knocked out in the third round of the Gents Pairs, Mixed Pairs, +55 Gents Singles and Gents Singles competitions.
Club members also achieved some success in other Club's Open Tournaments winning the Upper Donside (Glenkindie) Invitation Triples, the Nairn week Singles competition, the inaugural Buckie Victoria Eleanor Reid Triples and as part of a combined Moray BC & Cooper Park BC team in winning the Moray Top 9.

The re-purposing of a Public Toilet block which backs onto the Club's ground into new Café is planned for completion in late 2026 with minimal disruption to the running of the Club. Council Planners and Construction personnel are liaising with the Board of Trustees from an early stage in the development to maintain good relationships and provide access where necessary.

Financial review

Brief statement of the charity's policy on reserves

The Club has a little over £14,000 in cash reserves which is essential for ongoing Green and Club maintenance.

Once the outdoor season was completed a number of maintenance projects were planned for the autumn and spring throughout the closed season.

The south bank of the green has been re-set further back from the edge of the green to improve footing in the ditch.

Timber edging on the edge of the playing surface on the south edge of the green has been entirely replaced as it was compromised by wet rot.

We replaced the original entrance gate to improve ease of access to the club grounds.

We may also look into replacing the Pavilion's entrance doors in 2027.

The plan to inspect and re-clad where necessary sections of the tongue and groove boards comprising the outside surface of the Clubhouse building is ongoing.

Details of any deficit

No deficit

Donated facilities and services (if any)

The cost of the new entrance gate was donated by a Club Member.
