## Activities

---

**Activities:** 'It makes grants, donations or gifts to organisations'

**Purposes:** 'the advancement of environmental protection or improvement'

**What the charity does:** Rosian SCIO exists to protect and improve the environment by supporting reforestation. We do this by donating to trusted charities that plant trees, but only if they meet strict criteria such as being well established, using 100 percent of donations for reforestation, and operating with transparency. We also create and publish free educational content to raise awareness about climate change and promote sustainable living. Our aim is to support practical, long term solutions that contribute to a healthier planet.

**Beneficiaries:** 'Other charities or voluntary bodies'

**Objectives:** The advancement of environmental protection or improvement by reducing Global Warming through making donations to reforestation projects run by reputable charitable organisations
