What the charity does: The Welcome Hut is an educational project built around the use of mobile shepherd's huts as encounter spaces for storytelling, artistic improvisation and imagination. As a pop-up civic sanctuary on wheels, the installation of the hut with its wood fire stove in communities and on campuses offers a setting for intergenerational togetherness as an educational gesture of hospitality. Accounting Reference Date

SC049750.2022.1 30/11/2024

This is to inform you that our SCIO has not had any accounting activity to report for the period 01/12/2023 – 30/11/2024.

As a charity, we have had zero income / zero expenses.

We have engaged in a research project (project INC, community grant at York St John University) in the period 01/12/2023 – 30/11/2024.

Activities in recent years in Scotland have led to new invitations and visibility, notably for events at the University of Edinburgh in January and June 2025 which falls in the period of future annual accounts.

For now, the participation in events has not been invoiced by the SCIO but we are working on changes to this mode of functioning.

Yours sincerely,
