## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of education', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

**What the charity does:** The charity support children and young people who have a stoma. For children we gift a bear with a stoma, Buttony, along with story books and colouring books. For teenagers and young adult we gift a wash bag full of helpful non-medical items to help them adapt to life with a stoma. We also provide resources for stoma nurses to help prepare children and families prior to surgery. We aim to raise positive awareness of living with stoma.

**Beneficiaries:** 'People with disabilities or health problems'

**Objectives:** The organisation's purposes are: 4.1 To support children and young people with a stoma, by providing a specially created teddy bear, "A Bear Named Buttony". The bear is a CE approved toy, adapted by volunteers, with a button stoma in the same position as the child's own stoma. Buttony Bear has proved to bring instant friendship, support and comfort to a child and their family. This makes the transition from undergoing surgery to living with a stoma less traumatic. 4.2 To support, educate and raise public awareness about life with a stoma. There is a stigma attached to living with a stoma. We aim to reduce that stigma by giving presentations about our work to interested groups and health professionals. We intend to develop and distribute an educational pack created specifically for nursery and primary school children. 4.3 To support the work of paediatric stoma nurses by supplying appropriate resources. We shall develop initiatives to support and enhance the lives of children, young people and their families living with a stoma.

**Notes to the accounts - for the year ended 30  
November 2024**

**1 Basis of accounting**

These accounts have been prepared on the Receipts and Payments basis in accordance with the Charities & Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended)

**2 Nature and purpose of funds**

Unrestricted funds are those that may be used at the discretion of the trustees in furtherance of the objects of the charity. The trustees maintain a single unrestricted fund for the day-to-day running of the charity.

Restricted funds may only be used for specific purposes. Restrictions arise when specified by the donor or when funds are raised for specific purposes. During the year the Charity received £1,000 from the Jellie Foundation, which was a restricted fund to be allocated to the Aberdeen and Aberdeenshire areas. The Charity also received £750 from the Yorkshire Bank, which was a restricted fund to be allocated to the Aberdeen area.

In addition, during the year the Charity received £500 from Country Pursuits Lodge of West Lancashire, Kirkham Lodge and £500 from Cleveleys. Both these Charity donations were restricted funds to be allocated to the Blackpool area.

**3 Grants payable**

No grants were paid during the year.

**4 Trustee remuneration**

No remuneration was paid to any Trustee, or person connected to a Trustee.

**5 Trustee expenses**

During the year travel expenses totalling £2,629 were repaid for four of the Charity Trustees and one volunteer to attend conferences throughout the year – WCET, ERIC, IA Open Day, Play Specialists Conference & Max's Trust.

**6 Related party transactions**

During the year there were no transactions incurred between the Charity and any Charity Trustee or person connected to a Charity Trustee.

**7 Transfer between funds**

There were no transfers between unrestricted and restricted funds during the year.

## **8 Donations**

Income increased by 34% compared to the previous year. Donations totalling £13,650 were made up by four corporate donors. The balance represents fundraising, donations and sponsorship from many individuals and regular supporters.

## **9 Cost of charitable activities**

Expenses remained stable, despite the cost-of-living pressures.

## **Independent Examiner's Report to the Trustees of A Bear Named Buttony**

I report on the accounts of the charity for the year ended 30 November 2024.

### **Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities

Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

### **Basis of independent examiner's statement**

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

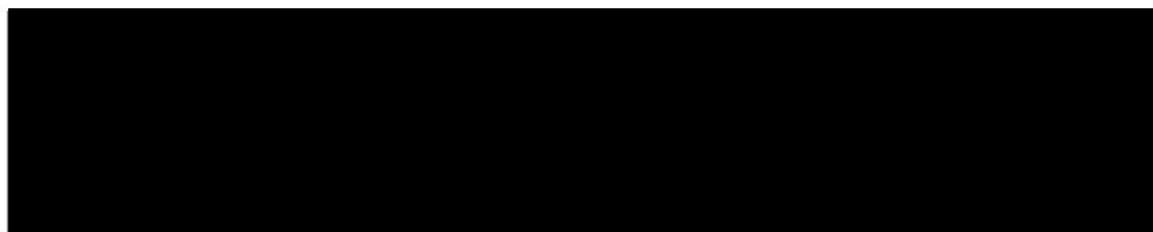

### **Independent examiner's statement**

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
  - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
