Scottish Charity Number SC049783

Recruitment and appointment of Trustees

Trustees appointed or reappointed at the annual general meeting held on the 13th of November 2024.

SCIO (TTRA SCIO) The accounting year end is the 31st of March 2024.

Charitable Purpose

Our purpose as recorded in our constitution is "The prevention or relief of poverty", "The advancement of citizenship or community development" and "The provision of recreational facilities, or the organization of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended."

Year 2024-2025

Project legacy from the Our place project still ongoing with a commitment from us to continue:

- Community Growing - Community Tool Libraries – the resources are stored at the sensory center, publicity and a community worker to run this project is needed.
- The "really rubbish project" originally TC&G is still to be delivered this will be reviewed and consideration to how this can realistically be implemented in 2025.
- The forest and growing project require development – recruitment of volunteers to run the project and maintain the area is needed. In the future the committee and community would like to explore the options of a poly tunnel. The Tamfourhill community hub have applied for funding for a Polytunnel – this could be supported from TTRO.

SCYAP Achievements 2023- 2024

SCYAP supported an array of approaches and contexts to working with local young people, all of which are underpinned by the Projects 5 key outcomes.

*Twilight Sports Programme has 184 young people registered between 10-16 years old, the Programme takes place at three different public parks: Nailer Rd Park, Easter Carmuir Park

& Tamfourhill Games Court and in winter it takes place at the Tamfourhill Community Hub.

* There are currently 41 young people involved with different Youth Awards (Dynamic Youth Award, Silver Youth Achievement Award, Saltire Award & The High 5 Award)

* Youth Awards are delivered through our community-based youth action groups, Summer Programme, the local schools, and young volunteers involved with the Twilight Sports-programme.

The main challenge to the the TTRO is having the capacity to fully respond to potential youth work opportunities and developments, with 1 full time development worker, a small group of volunteers and a sessional workers budget these circumstances will not change in the short to medium term.

In 2025 we are committed to looking at funding for full time youth workers to help extend the SSYAP and the existing youth provision within the hub.

Meetings and engagements from FC this year have been limited.

Overall, the TTRO has managed to implement several community projects with the aim to tackle poverty and the advancement of community with an emphasis on community empowerment.

Proposals for 2024-2025

The committee will support the SSYAP project and employees whilst looking to make local partnership links with other 3rd sector organizations. The group will continue to respond to the community's needs and our community safety plans. The committee would like to source funding for chatty benches within the community and have made a commitment to complete this in 2025.
