- i) Through progressive, environmentally focussed programming and learning experiences
- ii) Through education of communities via a range of participatory activities and events
- iii) Through building engagement with, and growing collective responsibility to our environment

**Summary of main activities undertaken for the public benefit in relation to these objectives**

During 2024-25, Initial discussions with the board to dissolve Site Collective as it had become clear that it was no longer sustainable to run the SCIO with local competition for similar projects and time constraints.

.

**Brief Statement of the Charity's Reserve Policy**

Site Collective has very little regular outgoings and operates on a project by project basis. As a relatively new SCIO, there is no reserve policy in place but as the organisation grows, it will operate a three months running costs reserve policy.
