Objectives & Activities

Charitable Purposes

The advancement of the arts, heritage and culture.

To advance heritage by preserving the historic Bell Tower for the benefit of the residents of Inveraray and the public in general as a place of historical and cultural significance, particularly in the context of the Bell Tower's status as a World War One War Memorial and it's internationally recognised ring of bells.

To advance heritage and the arts by providing a functioning set of full circle change ringing bells for the benefit of bell ringers from across the UK and the world.

Activities

The first event of the year was the annual maintenance weekend. This year all 10 bell wheels were painted, the frame sections around four of the bells were wire brushed and re-painted where corrosion was showing and the 7th clapper was removed and re-fitted. The exhibition display boards on the ground floor were re-painted and the tower tidied and cleaned ready for the summer season. Fifteen people volunteered a total of 134 hours over the weekend. During the year new ropes were delivered and fitted to the 9th and 10th bells and a further two new ropes ordered for the 7th and 8th bells.

The ringing festival weekend was well attended at the end of July. This was the fiftieth ringing festival to be held at Inveraray. There was 8 hours of open ringing across the weekend, available to all ringers. On the Saturday morning a quarter peal of Cambridge Surprise Royal was rung by a band of ten women.

There were 9 peal attempts during the year and two groups of visiting ringers who rang for around an hour. There were two quarter peals for the Scottish Association of Change Ringers quarter peal day. Half-muffled ringing was provided prior to a requiem for the departed held in All Saints Church. There was also ringing prior to the Inveraray Carol Service in the run up to Christmas. All of these performances were free for members of the public to listen to.

The exhibition working group produced a report with recommendations to the AGM for improving the visitor experience. The working group was thanked for their work and asked to implement the first phase of their recommendations in time for the 2025 tourist opening.

At the end of August [REDACTED] was consecrated as the new Bishop of Argyll and the Isles. A peal of Kent Treble Bob Royal was rung by members of the charity in November to welcome him. Two of the trustees met with him in September to progress the Licence for Use between All Saints Episcopal Church and Inveraray Bell Tower SCIO. Further progress was made by the trustees towards the end of the year with a final wording of the Licence for Use agreed.
