## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of education', 'the advancement of animal welfare'

**Beneficiaries:** 'No specific group, or for the benefit of the community'

**Objectives:** The Advancement of Animal Welfare through our four charitable pillars. Research, Education, Fostering and Adoption. RESEARCH Be leaders in Human-Animal Interaction and welfare research through collaboration with leading universities and other relevant organisations. Provide research opportunities which will impact and contribute towards achieving New Leaf Animal Society Charitable Objectives. As the Society grows our own research will be published and shared. We keep up to date with new and relevant research within the Animal Welfare, HBC and HAI sectors. Sharing these insights on our platforms to raise awareness and increase engagement. EDUCATION Utilising the expertise of the New Leaf Animal Society and our Partners to teach new owners about their adopted pet, through the New Leaf Animal Society Adoption programme. Work placements for students and animal welfare professionals are available within our education, fostering and adoption programmes. FOSTERING Invest in building a strong community of compassionate fosters who share in our vision and values. Our research will identify where the need for temporary animal careers are needed. Our fosterers will be trained by the New Leaf Animal Society and respective partners. ADOPTION Match each individual animal to a potential new owner based on what both the animal and human needs are. The new owner will complete the adoption programme working closely with a member of the New Leaf Animal Society team.
