Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of public participation in sport'

What the charity does: The club's purposes are the advancement of public participation in sport, namely cycling, for people aged four and above by providing regular, high quality coaching sessions to young people, to develop the next generation of cyclists. The club also supports the development of skilled and committed volunteers, coaches and mountain bike leaders. The club endeavours to promote itself within the local community and advocates for investment in cycling facilities locally. The club has a duty of care to all members and provides its services in a way that is fair to everyone.
