KILMUIR COMMUNITY TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2025

The trustees present their report with the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The principal objects of the charity are:

To advance community development in the crofting townships of the Kilmuir Community Council area and the associated common grazings by:

- identifying local needs;
- managing and developing a community plan based on these needs and creating a sense of community ownership of this plan;
- setting out a programme for addressing these needs with the aim of improving the social and physical quality of life for the whole community.

To advance arts, heritage and culture for the Kilmuir community and wider public who visit the area by:

- celebrating and promoting our local Gaelic culture;
- preserving and promoting the local history and traditions in the area;
- providing opportunities for members of the community to participate in and experience a wide variety of art forms.

To provide recreational facilities in the Kilmuir area by:

- taking ownership of and operating Kilmuir village hall;
- working with the community and other local organisations for the provision of outdoor facilities.

KILMUIR COMMUNITY TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2025

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

Summary of the Trust's Activities and Achievements during the year ended 31/03/25:

Kilmuir Village Hall

Kilmuir Hall has continued to be extremely busy during this period, and continues its position as a genuine 'community hub' for Kilmuir, with a wide range of regular and one-off activities that have been much appreciated by residents, visitors, and the wider population of Skye. This is backed up by its active presence and reach on Social Media.

The Trust Secured £1,000 donation from MOWI for kitchen equipment leading to a new dishwasher being installed. The Hall now has improved Broadband facilities, with increased Bandwidth next on the agenda. 420 tree saplings were donated by the Woodland Trust and £1500 secured from Isle of Skye Renewables to fence them off. The Hall has served as polling station demonstrating its civic importance.

Cultural and community work has continued to be inspiring. From the Historical Society's recent 'Shops and Businesses' exhibition, to Sgriobh Book Festival to promotion of Seachdain na Gàidhlig, and from Yoga sessions, Crofting meetings, to diverse musical events, ceilidhs, volunteer days, tree planting, hall redecoration, cultural exchange with visitors from Argentina and much more, our calendar has brimmed with events that celebrate both tradition and togetherness.

Hall development

The Phase 1 project, to build the car park, has completed and it is now in regular use. A small amount of income has started to be generated via the Campervan Waste Disposal unit and EV charging stations. The car park isn't perfect, and we are still making improvements such as fencing and tree planting.

Gaelic and Community Officer

Eilidh, our GDO, received special recognition in the Scottish Parliament following [REDACTED]'s visit to our community last August. This highlights the vital cultural work happening in the heart of Kilmuir, and Eilidh fully deserved being acknowledged in this way. The very crucial funding from BnaG for the GDO has been piecemeal, but a new funding application for a more appropriate three year package from BnaG has been submitted. We are sure it will be successful.

Governance

The year started with 7 elected Trustees. Following an EGM last year, the constitution was amended to increase the number of Trustees to a maximum of 10. At the AGM in June 2025, 7 Trustees stepped down, 2 current Trustees were re-appointed and 8 new Trustees appointed.

FINANCIAL REVIEW

Financial position

During the year the charity's income exceeded expenditure resulting in net income of £180,664 for the period (2024 - net income of £209,970). Following transfers between funds, this represents an decrease of £1,720 in unrestricted funds and an increase of £182,384 in restricted funds. As a result, unrestricted reserves have decreased to £5,311 (2024 - £7,031) and restricted funds has increased to £489,156 (2024 - £306,772), which the trustees consider is sufficient to meet the charity's operational requirements for the forthcoming year.

The increase in restricted funds relates mainly to capital grants received during the year in respect of the development of visitor facilities in and around Kilmuir Hall.

Principal funding sources

The charity is dependent on grants, donations, hall hires and events income to fund its operational costs.

Reserves policy

The general fund represents the unrestricted funds from past operating results. It also represents the free reserves of the charity. The trustees have examined the charity's requirements for reserves in light of the main risks to the charity and consider that three months operating expenditure, which equates to £14,000, should be held in unrestricted reserves. This would allow the charity to continue to operate in the event of an interruption in its income streams. The unrestricted reserves held at 31 March 2024 falls short of this target and the trustees aim to build reserves to this level through planned operating surpluses over the next few years. Funds are also raised for specific projects as required.

FUTURE PLANS

The charity's plans for the future include the ongoing management, maintenance and development of the community hall and land.

KILMUIR COMMUNITY TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2025

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is a Scottish Charitable Incorporated Organisation (SCIO) which became a registered charity on 30 June 2020. The purposes and administration of the charity are set out in its constitution.

The charity is also known by its Gaelic name, [REDACTED].

Recruitment and appointment of new trustees

The management of the charity is the responsibility of the board of trustees who are appointed or re-appointed under the terms of the constitution. At each Annual General Meeting, the members may elect any member to be a charity trustee. The board may at any time appoint any member to be a charity trustee. In addition, the board may at any time appoint any non-member of the organisation to be a charity trustee either on the basis that they have been nominated by a body with which the organisation has close contact in the course of its activities or on the basis that they have specialist experience and/or skills which could be of assistance to the board. At each AGM, all of the charity trustees shall retire from office but shall then be eligible for re-election.

Organisational structure

The board of trustees manages the affairs of the charity through regular meetings. The trustees are heavily involved in the day to day operations of the charity. The charity employs a Gaelic and Community Officer who assists in the implementation of decisions from the board of trustees.

Induction and training of new trustees

The charity undertakes training for trustees to ensure awareness and understanding of:-

- the responsibilities of trustees;
- the organisational structure of the charity;
- the financial position of the charity; and
- the future plans and objectives of the charity.

Related parties

In March 2024, the charity set up a wholly owned subsidiary company, Kilmuir Trading Company Limited, to develop commercial activities in and around Kilmuir Hall. Full details of the charity's subsidiary are included in the notes to the financial statements.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The trustees have considered the major risks to which the charity is exposed, in particular those relating to the operations and finances of the charity, and are satisfied that measures are in place to mitigate exposure to those risks.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
KILMUIR COMMUNITY TRUST

I report on the accounts for the year ended 31 March 2025 set out on pages six to seventeen.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention :

(1) which gives me reasonable cause to believe that, in any material respect, the requirements

- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
- to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities and Trustee Investment (Scotland) Act 2005. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

The financial statements are prepared in sterling which is the functional currency of the charity, and amounts are rounded to the nearest £.

Preparation of consolidated financial statements

The financial statements contain information about Kilmuir Community Trust as an individual charity and do not contain consolidated financial information as the parent of a group. The charity has taken the option under Regulation 6 of the Charities Accounts (Scotland) Regulations 2006 not to prepare consolidated financial statements as the charity and its subsidiary, Kilmuir Trading Company Limited, qualify as a small group and the gross income of the group is below the charities consolidated accounts preparation threshold.

Financial reporting standard 102 - reduced disclosure exemptions

The charity has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Critical accounting judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions that affect the amounts reported for assets, liabilities, income and expenditure.

The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in future periods should it affect future periods.

The estimates and assumptions which carry a higher degree of risk of causing a material adjustment to the carrying amount of assets and liabilities are as follows:

Useful economic lives of tangible fixed assets

The annual depreciation charge for tangible fixed assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. They are amended when necessary to reflect current estimates, future investment, economic utilisation and the physical condition of the assets. See note 10 for details of the values of tangible fixed assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Grants generated to support the objects of the charity and without further specified purpose are taken to the Statement of Financial Activities in that period. Grants received which are related to capital expenditure or are for a specified purpose are transferred to Restricted Funds and are utilised to fund the future depreciation of the related capital expenditure or fund the costs relating to the specified purpose.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 MARCH 2025

1. ACCOUNTING POLICIES - continued

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its objects and activities. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include accountancy fees and costs linked to the strategic management of the charity.

Allocation and apportionment of costs

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. estimated usage.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Land and buildings	- no depreciation on land
Car park development	- no depreciation-asset under construction
Fixtures and fittings	- 20% on cost

Tangible fixed assets are stated at cost less accumulated depreciation. The costs of minor additions or those costing below £100 are not capitalised.

Investments

Fixed asset investments in group undertakings are stated at cost less accumulated provision.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds are unrestricted funds earmarked by the trustees for particular purposes.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

This represents grants received from public funding agencies and trusts for the purpose of developing and upgrading Kilmuir Hall.

Corra Foundation fund

This represents funds received from Corra Foundation to fund activities at Kilmuir Hall.

KILMUIR COMMUNITY TRUST

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 MARCH 2025

17. MOVEMENT IN FUNDS - continued

Ionad Throndairnis fund

This represents funds received from Ionad Throndairnis to fund specific Gaelic related activities agreed by the trustees.

Community Mental Health and Wellbeing fund

This represents grants received from public funding agencies and trusts to undertake activities that promote and develop good mental health and wellbeing.

Gaelic fund

This represents funds received to employ a Gaelic and Community officer to promote the Gaelic language and culture through community projects and initiatives.

Land Purchase fund

This represents grants received from public funding agencies and trusts to assist with the purchase of parcels of land adjoining Kilmuir Hall.

Car Park Development fund

This represents grants received from public funding agencies and trusts to assist with the development of visitor facilities in and around Kilmuir Hall. The funds will be utilised to fund the future depreciation of the capital expenditure.

18. CONTINGENT LIABILITIES

A standard security over Kilmuir Village Hall and adjoining land has been granted to The Highland Council as part of the funding agreement for the new visitor facilities at Kilmuir Hall.

19. RELATED PARTY DISCLOSURES

There were no related party transactions for the year ended 31 March 2025.

20. PERMANENT ENDOWMENTS

The charity does not have any permanent endowments.
