To whom it may concern,

Yorkhill and Kelvingrove Development Trust (YKDT) was awarded charity status by OSCR on 7th July 2020. YKDT is thus required to submit accounts for 20/21 covering the period from 7th July 2020 to 31 March 2021.

As required by OSCR YKDT has publicised its existence and sought membership, including through press outlets for example here

We have been working closely with our Partners Sustrans and Glasgow City Council (GCC). We have progressed work on our messaging and brand, set up a bank account, appointed an accountant, developed a project officer specification and heads of terms with a candidate host organisation and kept campaign and outreach work ticking over.

However, we have not received any funding as yet, due to protracted negotiations between GCC and Sustrans on the form of a legal agreement between them and further a legal agreement between YKDT and GCC or Sustrans. We therefore have had no income or outgoings during this reporting period and so have no accounts to file.

This short annual report has been approved by all 6 trustees at our AGM held on 25 August 2021.
