Our core activities traditionally include:

- " Weekly sports sessions and coaching
- " Organising community tournaments and family friendly events
- " Supporting volunteer development and community leadership

These core activities follow the original purpose of the charity which was formed in 2020.

APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period

This year has been particularly challenging for Craigneuk Community Sports trust. Despite our ongoing commitment and best efforts, several planned projects and activities did not progress as anticipated. This was due to a combination of factors, including difficulties in securing funding, a decline in community participation, and operational challenges including a claim on the leased land we have been developing.

Recognising the need to address these issues, the Trust has undergone a significant restructuring process. We have welcomed new trustees with fresh ideas and perspectives, and established a dedicated operational community group to better support delivery of our activities.

We have also taken this time to develop new strategic objectives for the coming year. These include:

- " Increasing community participation through targeted outreach and partnership working.
- " Exploring new income-generating activities and funding opportunities to support our sustainability.
- " Strengthening our governance, volunteer base, and operational capacity.

Our plans for the coming year include exploring new options to generate income and secure funding. We are confident that these changes will strengthen the Trust and help us achieve our objectives more effectively. We expect that this will be more visible within our report during 2025/2026.

Importantly, the trust remains deeply rooted in the local community. The community football teams under the Craigneuk Amateur brand, has continued from strength to strength and we are determined to build on this foundation.
