## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the prevention or relief of poverty', 'the advancement of education', 'the advancement of citizenship or community development', 'the advancement of public participation in sport', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended', 'the promotion of equality and diversity', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

**Beneficiaries:** 'Children or young people', 'Other defined groups'

**Objectives:** The charitable purposes of the SCIO ('the Charitable Purposes') are to nurture and support young people to fulfil their potential, in particular the SCIO aims to: advance education through the delivery of initiatives and programmes in the community by providing a range of sporting and physical activity combined with active learning in order to empower, increase capacity and employability skills as well as providing social activities for enjoyment. prevent or relieve poverty through empowering (in particular but not restricted to) young people through the delivery of community initiatives, training, education, using sport and physical activity as a mechanism to make a difference and address and mitigate disadvantage. advancement of community development through the delivery of a volunteering programme which seeks to offer personal development of young people to unlock potential, encourage physical activity, volunteering, participation in sport, and promote healthy living. advancement of the public participation in sport by: promoting social inclusion for those who are excluded from participating in sport & physical activity due to their social & economic circumstances, encouraging participation on an equal and inclusive basis, thereby reaching those less likely to engage. offering activities designed to build confidence in ability, skill & physical fitness that are well structured, organised & have a fun element and encourage maximum participation, whilst introducing the

participants to sports and physical activity in their lives.
