Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of citizenship or community development', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended'

What the charity does: Stoneywood Community Projects is a non-profit company located in Denny. SCP's objective is to help individuals with learning disabilities gain the self-awareness and competence required for long-term meaningful employment. SCP works with community groups and local authorities to support individuals develop employable skills and become self-sufficient. SCP emerged as a result of disadvantaged groups' lack of employment, educational, and community participation opportunities. SCP believes that 'community social care services should be more involved within the communities that it serves.' It is critical for SCP to collaborate with established organisations in order to enhance services available for the community.

Beneficiaries: 'Other defined groups', 'No specific group, or for the benefit of the community'

Objectives: The Company has been formed to benefit the community of the FK postcode area (the Community), with the following purposes (the Purposes): The advancement of community development and the provision of recreational facilities with the object of improving the conditions of life for the Community, by:

- providing facilities, activities and a community garden open to all and a space available for hire by local groups and individuals.
- giving people the opportunity to improve and take control of their local area through working with a number of partners including environmental groups linking outdoor environmental projects aimed at local residents. and bringing community activities under one roof where they will be accessible to all, giving all service users the opportunity to enhance their development and life chances, and provide the quality of space needed for meaningful and valuable community interaction and activity.
