DUNDEE WEST COMMUNITY TRUST ANNUAL REPORT 2024

*“CHANGING LIVES THROUGH SPORT IN THE
NORTH-WEST OF DUNDEE”*

WELCOME

Welcome to the 2024 Annual Report for Dundee West Community Trust. We hope you can take some time to understand and appreciate the range of activities we deliver within our local community.

This year has been another terrific year for the positive year for the Trust with many exciting new projects happening in the North-West including the unveiling of our brand new state-of-the-art 3G facility at Charlotte Street.

As always, it's extremely difficult to highlight just one area that has had a positive contribution on our community but the fantastic work going on through our extensive work & in particular around our adult participation with our recreational activity, football fans in training team and of course Walking Westies strand.

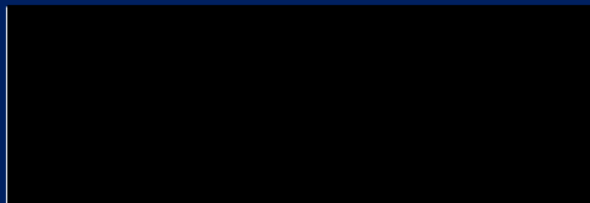

The Trust really have actively engaged with the community and key stakeholders to understand our community and provide essential projects that are supporting more men & women stay active and healthy through physical activities that are local and meets the needs of when our members/residents can attend and be part of something special.

All the good work that we have delivered throughout the year would not have been possible without the incredible work from our Community Development Manager and his team of staff and volunteers.

They have worked tirelessly to support all local partners in improving the lives of people in the Northwest of Dundee and ensured sport plays an active role to everyone.

We would like to take the opportunity to thank all partners, funders, schools and of course our members who have come to together collectively to make a difference.

Best Wishes,

INTRODUCTION

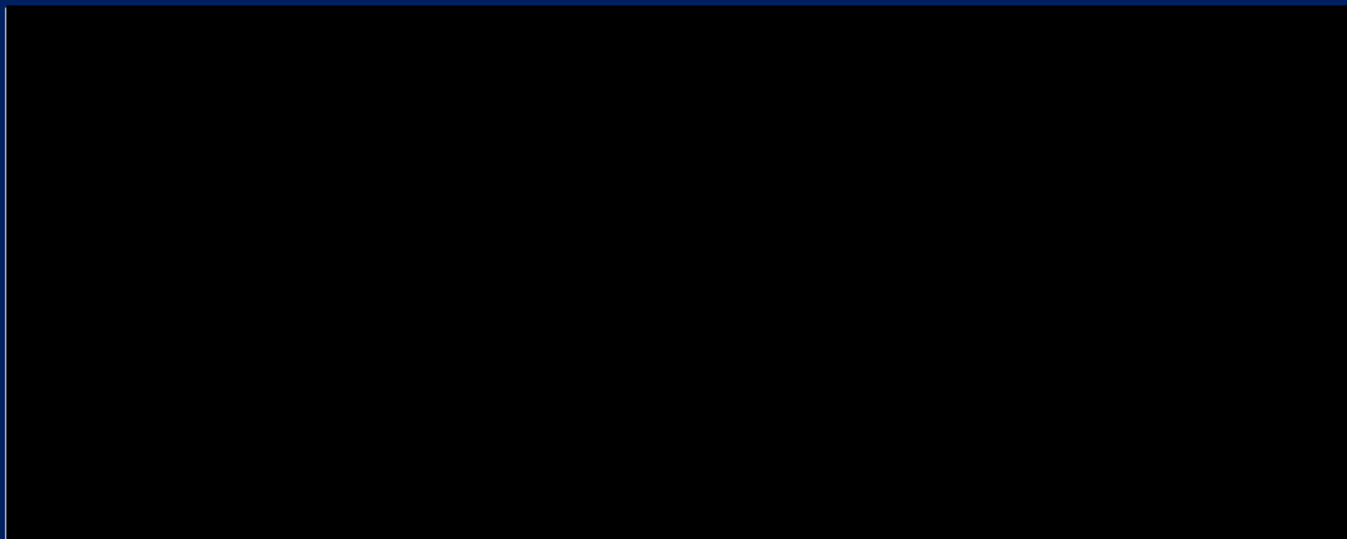

Another year has flown in and once again I'm proud and privileged to lead to such an incredible team of staff members and volunteers who are passionate about making a difference within the Northwest of Dundee. Into only our fourth year as a charity, the hard work and effort that has been going on in the background is truly inspiring and I am so pleased to share our annual report on the positive impact we are having through sport and physical activity.

We have made huge strides with increasing sport participation for young people in our school and wider community. We have been able to expand on our variety of adult activities and starting to cater for the needs of our community with healthier lifestyle projects.

One of our key projects this year has been our Football Fans In Training programme that has progressed significantly with establishing a brand-new men's team with the incentive of losing weight through football participation.

Sport plays a vital role within communities, and we understand our role as a community trust is going to be crucial moving forward as we begin to understand the "New Living."

Huge thanks on behalf of our team to everyone who has played a part in helping us to support those within the local community. I hope you all enjoy reading about our report and some of the projects we have been undertaken throughout 2024.

McDonald's & KDM Recreational Football Centres

Thanks to the continued support of the Scottish FA we have been able to expand on the delivery of free recreational football centres to more young people across the community. These sessions are a fantastic way for more young people to play football with friends with a fun, safe and nurturing environment and allow children to play freely without the pressures of being part of a team.

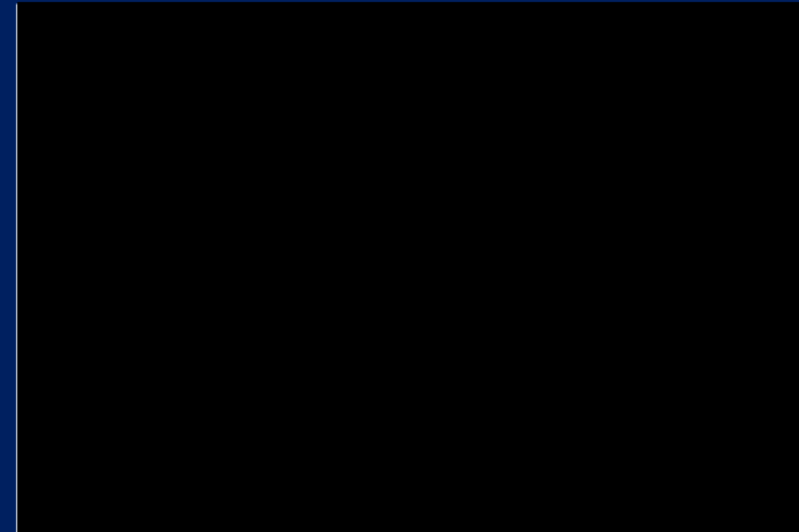

Skills Centres – Developing Players

We have put a focus on developing better players at the trust by delivering football skill centres to improve player technical ability with the ball. This has increased more time for players to practice new skills that can be implemented back to their teams from the support of UEFA Licensed coaches from Dundee West CT.

Youth Diversionary Projects

Tackling anti-social behaviour has been a key area of development for the trust and over the last 12 months we have delivered new youth diversionary projects in Ardler, Kirkton & Charlotte Street to promote safer places for young people to play within the local community. Football has the power to make positive change and supporting more young people with better opportunities to play with friends has seen a decrease in the number of issues in the community on a weekly basis.

HEALTHY LIFESTYLE PROJECTS

MEN'S FOOTBALL FANS IN TRAINING

On the back of our SPFL partnership programme, Football fans in Training. We have created a new Men's FFIT team support men overweight with getting back into competitive football and find ways to improve their body image and shape.

Football Fans In Training provides football fans with an opportunity to become fitter, healthier, and happier at the same time and we have supported over 25 men into playing for our new team with home and away fixtures across Scotland.

MEN'S FOOTBALL & WELL-BEING GROUP

Early in the year, the Trust established a brand-new Men's football & well-being group to support men struggling with their general health & well-being. The group offers men 16 years + the opportunity to discuss different topics of conversation whilst having the opportunity to play football to improve a healthier lifestyle whilst creating new ways of making friends & connecting with others suffering with similar issues and challenges. Over 20 men meet on a weekly basis at Charlotte St for a game of football.

WOMEN'S WELL-BEING GROUP

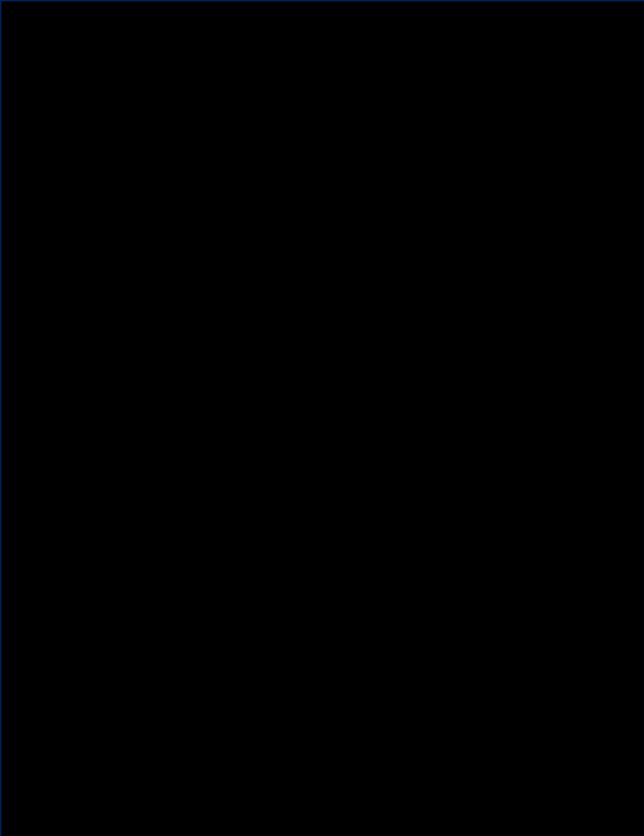

The Trust started a brand-new women's well-being club to support any women interested in improving their health with weekly sessions around improving a healthier lifestyle and talking to new people about changing different parts of their health and having a safe place to chat. This has become hugely popular with over 16 women regularly attending and feeling better about themselves.

SCOTTISH FA EXTRA TIME INITIATIVE

In partnership with Scottish Government & the Scottish FA, Dundee West CT is harnessing the power of football to help to provide invaluable breakfast, after school and holiday activity clubs for primary school aged children. As part of our initiative young people are supported with daily transport to and from school with the opportunity to enjoy breakfast and some physical activities in the morning followed by an afternoon meal after school. The project has been hugely beneficial for families, young people and the school.

ALTERNATIVE LEARNING PROJECTS – BALDRAGON & ST PAULS ACADEMY

In partnership with both our secondary schools, we work with young people dis-engaged in school through football interventions that use the power of sport to upskill young people and offer a variety of different methods to learning. The Trust deliver daily sessions for pupils across all years along with work with young people each lunchtime to support with football activities that reduce anti-social behaviour, fights and arguments to support the on-going school day for staff.

KEY PARTNERS & FUNDERS

A huge part of Dundee West Community Trust's work is being able to work with partners and funders who share the same vision to that of the Trust. We would like to thank each of those organisations who support and contribute to our work in allowing us to make a positive contribution to the Strathmartine area.

LOOKING AHEAD...

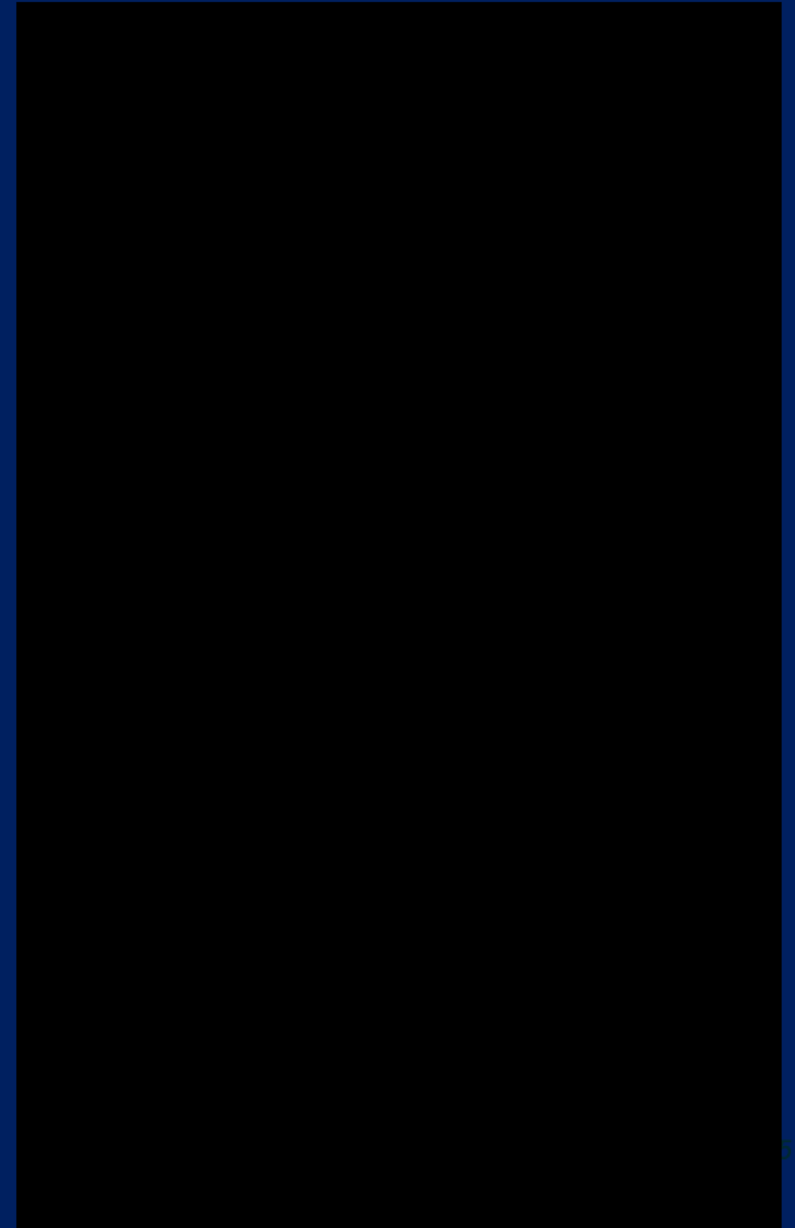

We look forward to what's next at Dundee West Community Trust. We have achieved something very special this year with the grand opening of our brand new 3G facility but that is us on just starting!!

We now have our sights on developing our Club House to create a community building that can offer more activities and projects that be held indoors including a café and a gym for members to use locally.

Significant work has gone into the Trust's educational strand with the introduction of two new members of staff delivering our Extra Time initiative improving school attendance and food poverty in the local community and that work will continue into 2025..

The success of our McDonald's Award has motivated us further to continue increasing more opportunities for children to play football at a recreational level and remove the pressures of playing for teams.

Our aim as ever will be to continue to expand our outreach to young people and adults and provide a more projects on our 3G facility that will enable further opportunities to develop the Trust and run activities that benefit the wider community.

DUNDEE WEST COMMUNITY TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDING 31st DECEMBER 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received, and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year-end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

2. TRUSTEES' REMUNERATION AND BENEFITS

There were no trustees' remuneration or other benefits for the year ended 31st December 2024 nor for the year ended 31st December 2023.

Trustees' expenses

There were no trustees' expenses paid for the year ended 31st December 2024 nor for the year ended 31st December 2023.

3. RELATED PARTY DISCLOSURES

There were no related party transactions for the year ended 31st December 2024.
