The Scottish Charity Regulator (OSCR),  
2nd Floor Quadrant House,  
9 Riverside Drive  
Dundee, DD1 4NY

December 12, 2024

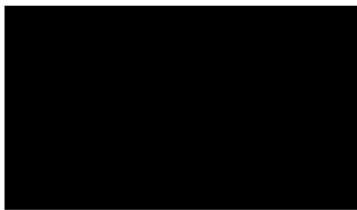

Dear The Scottish Charity Regulator (OSCR),

## **Report of the trustees for the year ending April 30, 2024**

The trustee of the Redemption Benefits Church is taking this opportunity to confirm that our charity has been inactive since its registration and does not have an account with any bank.

We hope to begin operations this year and open an account with a Scottish bank. If everything goes as planned, we will begin submitting activity details and financial statements to OSCR on an annual basis.

Sincerely,

Cambuslang  
Glasgow, G72 8ZA
