Charity Trustees

At the current moment 2 further trustees are being looked for due to the passing and illness of 2 previous trustees.

Objectives and activities

The Recycle Room has stayed strong to the reason it was founded. When we founded we were created for the whole community to use no matter of background or need. We have clients who require our services as they have no other option and on the opposite end of the scale we have those who use us to help the environment. We have not difference in the users and everyone is treated with the same level of respect and kindness.

In the past 12 months even through the hardship we have helped over 80000, an increase of 20% on last year. Our projects are currently running at near full capacity with the requirement for us to operate a 7 day a week service. The community laundry has become an important part of our charity, with people from all areas requiring the service.

While we have no plans to expand any of our services or change our outcomes we are continually pushing forward to ensure we can provide a more wrap around service by teaming up with other organisations i.e Keep Warm Campaign with Energy Advice Workshops.

Achievements and performance

This year has been one of the most challenging and successful years of The Recycle Room. While we tried to recover from the flood that destroyed our previous work. We have continued our mission to help those who require our help no matter of circumstances.

This year the main objectives that have been achieved are the following outcomes.

- Repairs and replacement of items destroyed.
- Community Laundry
- School Uniform
- Community Tools
- Youth Volunteering
- Keep Warm Campaign
- Pre-Loved Christmas

COMMUNITY LAUNDRY...

We are now ready to start our community laundry. At the moment we are able to offer the use of a washing machine and tumble dryer. These are available for anyone to use by appointment! These will come with some rules for use to make sure they are fairly and properly used...

These will be FREE OF CHARGE but if you wish to leave a donation to help with cost of use you can!

Future plans

While we look forward to the future of The Recycle Room we look to bring more of the same with our campaigns to help those in need.

2024 Campaigns –

School Uniform

Pre-Loved Christmas

Dress to Impress

Get Organised/Saving

Community Laundry

Community Tools

Services –

Thrive – youth volunteering

Carers of Clydebank

Energy Advice

Community Laundry

Community Tools

Additional information

While our repair bills have been high due to the flood. These will not be an expense as of next year. (Council insurance information still pending)

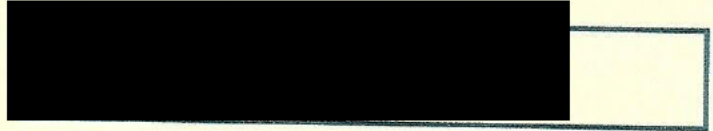

The campaign costs have been combined to a total amount. All of our campaigns have elements which can combine.
