## Objectives and activities

The advancement of Christ's Kingdom among young people and the promotion of habits of Obedience, Reverence, Discipline, Self-Respect and all that tends towards a true Christian way of life.

We are a uniformed co-ed youth organisation focused on promoting a positive disciplined outdoor life and developing each and every member of our organisation regardless of their ability to achieve all they can and to enjoy their time with us, showing improved communication skills, teamwork, physical fitness, new skills being achieved, self-development and confidence as a young person. Children have the choice to participate in activities and have a voice in the type of activities that are led to ensure maximum engagement. We deliver Duke of Edinburgh awards, and John Muir awards and spend time in the Cairngorms National Park on frequent trips and the outdoors in the Bridge of Don area of Aberdeen. We meet weekly and in addition undertake weekend residential camps, promoting nature conservation and STEM programmes.

We are an entirely self-funded charity, and our outdoor trips require specialise equipment and the use of our own minibus. We work to reduce barriers to participation such as socioeconomic status.

We aim to benefit the youth within our organisation, the youth in our community and all within our local catchment area who see how important the work we do is. Our volunteers receive training and improve their own personal skills when working in an intergenerational environment. With over 95 members aged between 5 - 18 years old we reach hundreds of friends and family, wider community groups, and other Youth Groups and demonstrate how the image of young of young people can be different to what some have. All too often young people are seen to be lazy, trouble making, threats, up to no good and not a key part of the local community. Through working with local groups, churches and Aberdeen Council we actively encourage the young people to talk, take part in organised events going some way to change people's views to show how young people can add value to their local community. One example is when the young people attend Aboyne Highland Games to act as programme sellers & gate marshal. Here they interact with people from around the local area, tourist from many countries and young people from many different backgrounds. Within our organisation, we support a number of young people who have varying needs and/or challenges. We understand that all children have had different experiences and upbringings, and we ensure that staff give the children the best experience.

## **Achievements and performance**

Member numbers of young people have increased slightly over the year.

We have only lost 5 members during this period which is extremely healthy for our organisation in a climate with all uniformed organisations seeing a big downturn in membership and a large number closing their doors. New starts have more than covered this reduction.

We currently have a membership of 95 children and young people

We currently have 16 volunteers. Recruitment of volunteers still remains a challenge as seen across the board with other uniformed organisations. New PVG legislation may also cause issues however this has not been an issue due to the support of Brian Fowler of St Columba's Church.

## Annual Camp

At the start of June 2025, 67 members attended a 3-day 2-night residential weekend at Abernethy's Nethy Bridge outdoor centre. This was provided at no cost to any family.

This annual camp is a huge achievement for The Bridge of Don Brigade. So many positive feedback comments from the children and young people. At least 40 have taken part in activities they would not have attempted if not for the weekend. More than 35 families have said they have seen an improvement in the young people's reducing their time indoors and on screens. Many families also commented that they would not have been able to afford to send their children and young people if we were not able to provide the camp for free.

During the period we have held the following activity evenings along with our regular weekly meetings:

- Christmas crafting
- Cinema trip
- Bouncy castle evening
- Play Park visits
- Biscuit decorating
- Pancake making
- Sandwich making
- Basic cooking skills evening
- Take away evening
- Pizza evenings
- Crafting

We have seen a very challenging trend within the older young people's attendance levels with irregular attendance occurring unless there is a specific event or activity, they wish to take part in. This was clearly visible when 45 young people attended the cinema trip just before Christmas, usual attendance numbers were 30 in the weeks prior.

All volunteers continue to be offered online training in various topics related to the work we do each week. Currently 39% have completed 1 or more modules.

## Financial review

As an organisation we endeavour to retain a reserve of approximately £7,500 to cover any unexpected expenses. Our operating costs per year are in the region of £6,000 - £7,000 excluding annual camp costs and this income is ring fenced.

Fee donations from all families have shown a healthy increase with more paying by monthly standing order and more paying slightly more than the requested amount.

We have seen a decrease in families asking for discount and delayed payments.

We are constantly indebted to The Bridge of Don Brigade's volunteers and members families for identifying potential areas or applications for Charitable Donations.
