About this section

In this section you can provide details of any individuals or contractors whose involvement in your proposed multiplex service is confidential.

We also ask you to provide details of how you intend establishing the technical arrangements for providing your proposed service. This includes arrangements for building the transmission site(s) that you intend to use, and your plans for how the multiplexing and distribution of your service will be arranged. These arrangements should be consistent with the summary of your coverage proposals you have provided in Section 2 of Part A and the transmitter technical parameters information you have provided in Section 3 of Part B.

Before completing this section of the form, you should read paragraphs 4.80 to 4.102 of Ofcom's [guidance notes for licence applicants and licensees](#).

Note that there are non-confidential questions on the ability to establish the proposed service that you will need to complete in Part A of the application form.

Confidential appointments

- 5.1 Provide details of any individuals or contractors who will be involved in the management and operation of the multiplex service but cannot be identified publicly at this stage.
