Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of health'

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The Charity's objects are restricted specifically only for the public benefit to preserve and advance human health and advance education in particular by engaging in, encouraging and supporting:

- 2.1.1 investigations into the separate and combined effects of genetic, environmental (including lifestyle, physiological and environmental exposures) and other factors on human health and welfare and on the risk, early detection and causation of diseases in the human population.
- 2.1.2 the establishment, holding, operation, management, promotion, support, expansion, improvement and safeguarding of a collection of biomedical, biochemical, epidemiological, genetic and other data and blood and other biological and biochemical samples obtained and developed through, for the purpose of and/or in connection with some or all of the investigations referred to in article 2.1.1 and pertaining to a cohort of human participants, for use in a research, knowledge and information resource.
- 2.1.3 the discovery, invention, improvement, development and application of treatments, cures, diagnostics and other medicinal agents, methods and processes that may in any way relieve illness, disease, disability or disorders of whatever nature in humans.
- 2.1.4 research into biological and medical sciences and other disciplines which may contribute to the improvement of human health and welfare ('Biosciences').
- and 2.1.5 the study and understanding of any of the Biosciences.
