What the charity does: Hampden Bowling Club uses the power of accessible sport and the cultural heritage of being situated on the original Hampden Park to motivate, engage, and enrich the local community. Our organisation's core offering is the bowling club, which provides gentle recreation for all age groups throughout the summer months. During the winter months, this provides a social hub for members to congregate and enjoy social engagement. Our club provides an all-year-round facility for the community to hold workshops, fundraisers, events, and social occasions. For the world, this club is a pilgrimage point to the roots of the modern passing and running game of football, which is now enjoyed by 4 billion people worldwide. There is more to Hampden Bowling Club than meets the eye. Once you are invested in our mission, you'll happily never leave. Our pavilion and grounds provide an ideal space for local community groups to hold regular meetings, workshops, and fundraising events all year round.

2024 Summary to Sep-24

The club made an adjusted loss of £11,392 to the end of Sep-24 compared to adjusted loss in 2023 of £7,060. The bank balance as at 30-Sep-24 was £19,466 (£30,858 2023).

Income

Total Income was down almost £2k on prior year (£12,357 2023, £10,373 2024). Bar takings reduced by £1,638 and membership fees and donations were also down. The only increase was in Other Income (functions and events).

Expenditure

Total expenditure was comparable to last year (£21,920 2023, £22,469 2024). The main cost increases were in Utilities and Insurance up over £1,205, mainly due to rising Electricity and Gas costs (see note 1). Other costs were also up by almost £1,100 mainly due to the purchase of a new club shed (£1,390) and costs incurred in the purchases of new club polo shirts (£704). The main offsetting cost reductions were in garden maintenance, building maintenance and cleaning (combined reduction of over £1,000) and bar purchases were also down by over £1,000 but bar profit was down by almost £600 (note 2).

Note the club's bank balance has continued to diminish over the winter when there is little income to offset costs incurred. Current balance is £15,736, down £3,730 since the end of Sep-24.
