The Trustees present their report and the financial statements of the charity for the year ended 31st December 2024. This is our 4th Annual Report and our third year of reporting. Our charity has gone from strength to strength and due to further developing close relationships with local businesses, who support us both financially and by supplying food, essential supplies and offering their time to volunteer, we have now extended our services to reach out and support more people who need our help.

Kindness Homeless Street Team Glasgow SCIO is a charity dedicated to supporting people affected by homelessness, poverty and those vulnerable people of Glasgow and the surrounding area.

We have a pop-up soup kitchen in George Square 2 evenings/week, our donation centre providing food, clothing, and essentials 4 days/week and our community centre & café Mon-Fri. We also help our service users in their temporary/permanent accommodation by providing furniture and everything needed to turn their empty flats into homes.

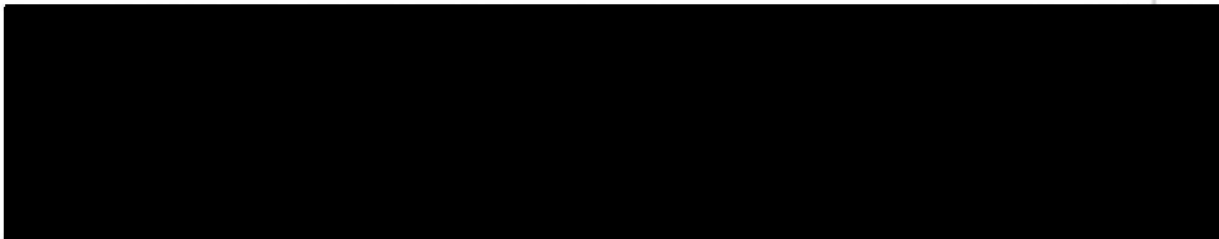

In addition to all the services mentioned in our annual return last year we have grown our services since November 2023 when we took over Cadder Community Hub, 110 Tresta Road, Glasgow, G23 5AE.

Our 'A Little Cup of Kindness', the Café of Kindness Homeless Street Team Glasgow moved here in November 2023 and we continue offering low cost and free meals to those that need a helping hand. Our menu at the cafe also offers affordable meals and we have a 'pay it forward' campaign where people can donate to buy tokens at £4/token then those that are struggling financially can take a token to pay for their meal without embarrassment or any questions asked.

Our vision in Running the Cadder Hub in partnership with Cadder Housing Association has allowed us to be able to offer extra facilities on top of our café, soup kitchens, food bank and clothing centre. Within this new facility we offer wellbeing events including free haircuts, massages, beauty treatments and drop-in sessions for a chat and a general catch up to talk about any help we can offer including referrals that may help them with any mental health issues, addiction problems and we try our best to support everyone that needs our help and point them in the right direction to access support.

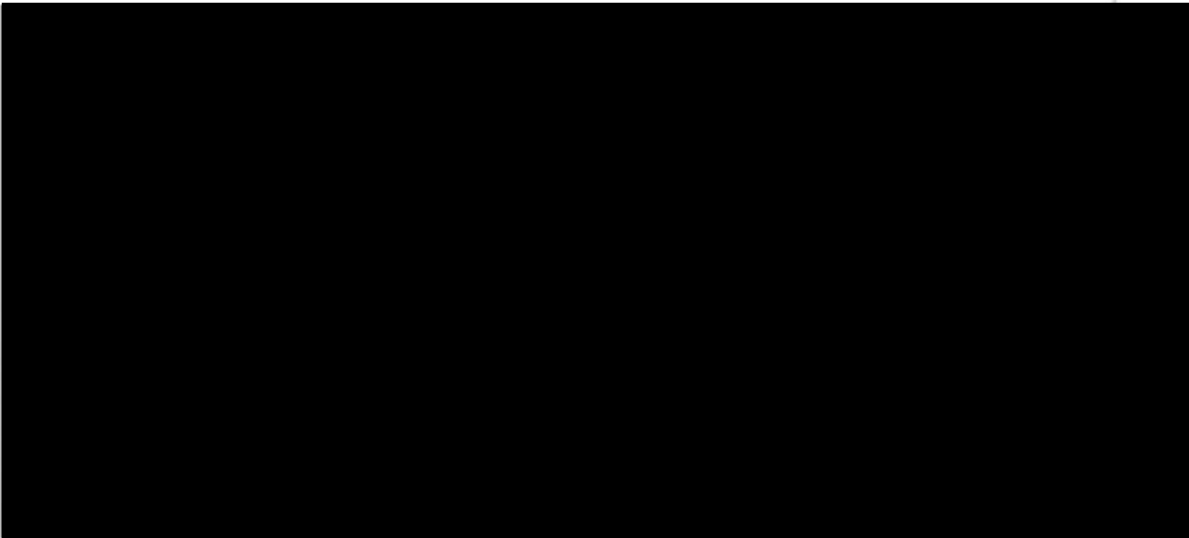

In our Cadder facility we offer lots of extra services to encourage inclusion of all within our community regardless of background or beliefs. Our monthly elderly event also helps combat loneliness and isolation and we put on a free 3 course meal or afternoon tea, live entertainment and a few games of bingo. Our elderly events are well attended, and we also offer a free pick up/drop off service to those that need it. We welcome between 45/50 over 55's at every elderly event we host.

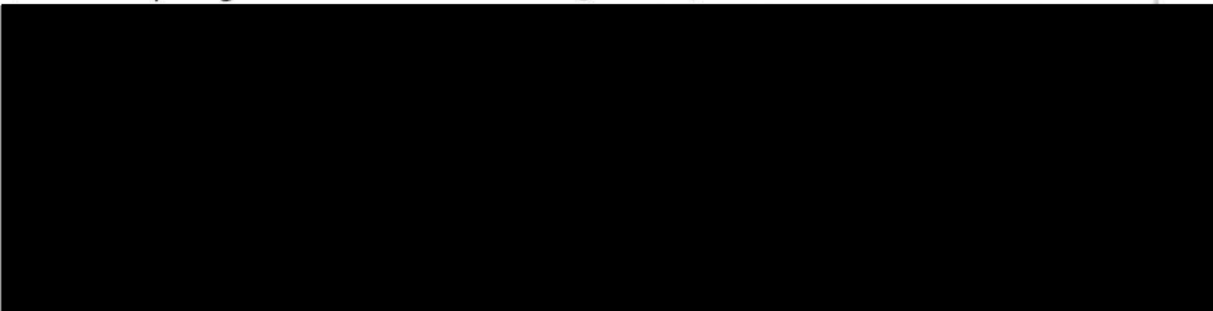

Although seeing the smiles on the children's, parent's and every service user's face is priceless it costs us around £20/head to run each event so every little donation is very much appreciated.

We also offer well-being events at Cadder hub including many courses including dealing with and overcoming anxiety and first aid. We run cooking classes providing all ingredients and recipes showing our service users how to cook on a budget.

At the Community hub we also have boxing classes, keep fit/circuit training in a fully equipped gym, dancing classes, pensioners club and in Sept 2024 a theatre group and an art class joined us for adults and children too. We also have a church using the facility every Sunday and we have lots more ideas to offer community the local community many new services from the Hub and we are excited to see how many more people will benefit from these additional services provided. We are launching a Bike library in the summer/autumn and have bought 30 children's bikes of varying sizes so we can engage in community involvement and allow children who do not have a bike an opportunity to join in with our cycling events and bike lending library.

Review of 2024 Finances

Along with the challenging economic climate that we are all finding ourselves in, generating vital fundraising income to continue the amazing work we do is presenting to be very challenging.

As we were only awarded charity status in April 2021, applying for fundraising grants is still a relatively new area to us, however, we have expanded in this area and increased our corporate support over the last 12 months and have had a few successes including a 3-year grant being awarded to us by Robertson Trust. They have awarded us £10,000 each year for 3 years and our third instalment was awarded in September 2024. Robertson Trust also awarded us £10,000 towards a new van for our soup kitchen and to allow us to pick up and delivery furniture to those that need help setting up in their temporary or permanent accommodation after being homeless for a few years. This area of fundraising and creating partnerships with local businesses will help us greatly to generate more financial funds going forward it is an area, we are committed to continue to put our time into to hopefully generate more successes going forward.

We have been looking at our accounts and we are averaging monthly financial donations, including fundraising activities, of £13765 per month which covers our average monthly expenses of £13170, therefore, we feel going forward that we are in a healthy position, to not only continue to provide our current services to our street friends, but to expand our ideas so we can reach out to help more of the vulnerable people of Glasgow. There has been a substantial increase in our monthly expenditure since last accounting year but our demand for food parcels has tripled and we had set up costs for the new Cadder Hub facility as well.

Our bank account is quite healthy as at 31/12/24 we had a closing balance of £143,171.09 and our reserve account is sitting at £40,289.43 including interest, we added £14575.60 in August 2024 thus giving us a total balance in our reserve account of £40,289.43 and a total of both accounts of £183,460.52. We also upgraded one of our charity vehicles and purchased another charity vehicle, a soup kitchen/delivery van, total of both being £14,980.39 within this accounting period which has allowed us to help more people setup home by delivering furniture to them, delivering food parcels to more areas and we now also have this other vehicle as an asset for our charity.

Reserves

We have looked at our average expenditure to run our charity each month and the average monthly amount we spend is £13,170. We have therefore increased our reserve account to £40,000 which covers 3 months reserves, in line with OSCR guidance. This will only be used during any time that we feel we have a lack of financial donations to help us meet the demands of our expenditure in any one month. This reserve account will be linked to our main bank account so that we can access it quickly if it ever becomes necessary to transfer funds to help us meet our outgoing in any one month.
