

Annual Report

May 2024 - April 2025

Connecting Circles

In the last year at Connecting Circles it has seen the stepping down of all our trustees and as the founder I have not had the energy at the moment to recruit new trustees.

- * We haven't been able to run any projects
- * We haven't had any funding.

Which means we have a zero accounting year.

Going forward I am not sure of our plan of action at this moment.
