Trustees Annual Report

The trustees are pleased to present their report together with the financial statements of the charity for the year ended 31 March 2025.

Reference and Administrative Information

These details are provided on page 1 of these financial statements titled 'Legal and administrative information'.

Structure, governance and management.

Governing Document

The company was incorporated on 25 March 2020, and secured charitable status on 24 June 2021. It is controlled by the Articles of Association adopted on 8 July 2021 (Amended).

Recruitment and appointment of Trustees and organisation

The trustees, who act as directors for the purposes of the Companies Act 2006, are appointed in the first instance by the board of trustees, with one third being subject to retirement by rotation at each annual general meeting and, if wished, reappointed. Potential candidates to act as new trustees are identified by existing trustees with a view to providing additional skills and expertise, and they are invited to attend board meetings to establish their suitability and willingness to be appointed.

The charity is administered by a treasurer who is also a director. The Treasurer reports to the trustees on a regular basis. The management are recompensed for their time involved in the day to day administration and for their contribution by virtue of their skills and knowledge.

Risk management

The trustees have given consideration to the major risks to which the charity is exposed, and these risks and the ways of mitigating these are reviewed on a regular basis. All major insurable risks are subject to normal public liability.

The Charity's objectives

The objects of the charity are :
To attract suitably qualified professional members
To develop and promote culture and education in the healthcare sector.

Volunteers

As ever with a small charity, work is done by unpaid volunteers, though payment is made for services rendered at appropriate rates to those engaged in day to day administration.

Reserves Policy

The trustees believe that the charity should run on operating reserves because it has no endowments and is currently largely dependant on income from Subscriptions and donor funding, which are subject to risk and/or fluctuation from year to year. The charity also requires protection against unforeseen events, and needs to ensure the ability to continue operating despite adverse or damaging events.

Investment powers, policy and performance.

The trustees undertake to use any income received from the charity activities in ways that are consistent with the aims and objectives of the charity as set out in the constitution.

Principle funding sources

The charity's activities are funded by fees, donations, and grants from trusts and organisations.

Responsibilities of the Trustees

The trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Charity Law requires the trustees to prepare accounts for each financial period which give a true and fair view of the state of the affairs of the charity as at the balance sheet date and of its incoming resources and application of resources, for the financial period.

In preparing those accounts, the trustees are required to:-

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2005;
- make judgements and estimates that are reasonable and prudent;
- follow applicable accounting standards, subject to any material departures disclosed and explained in the accounts.
- prepare the accounts on the going concern basis unless it is inappropriate to presume the charity will continue in business.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure the accounts comply with The Charities Act 2011, The Charity (Accounts & Reports) Regulations 2008 and the provisions of the Constitution.

They are responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other regularities.

Each trustee has taken steps that they ought to have taken as a trustee in order to make themselves aware of any relevant information and to establish that the charity's reporting accountants are aware of that information. The trustees confirm that there is no relevant information that they know the reporting accountants are unaware of.

Trustees

The trustees, who are the charity's trustees for the purpose of charity law and, who served during the period and up to the date of this report, are set out on page 1.

Approved by the trustees on *8th July 2025* and signed on their behalf

Luting Xu
Treasurer

Society of Chinese Medical Practitioners UK

Independent Examiner's report to the trustees on the unaudited accounts of the Society of Chinese Medical Practitioners UK

I report on the financial statements of the Charity for the year ended 31 March 2025, which are set out on pages 6 to 11.

Respective responsibilities of trustees and examiner.

The charity's trustees (who are also the directors of the company for the purpose of company law) are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act and the Charities Accounts (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state particular matters have come to my attention.

Basis of Independent examiner's report

My examination was conducted in accordance with the General Directions given by the Charity Commission and with Regulation 11 of the Charities Accounts (Scotland) 2006. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement.

In connection with my examination, no matter has come to my attention:

- I which gives me reasonable cause to believe that in any material respect the requirements
- to keep accounting records in accordance with section 44 (1) (a) of the 2005 ACT and Regulation 4 of the 2006 Accounts Regulations (as amended)
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of Regulation 8 of the 2006 Accounts Regulations

have not been met or

II to which, in my opinion attention should be drawn in order to enable a proper understanding of the accounts to be reached.
