**Year to 31st March 2026**

## **Structure and Organisation**

### **Background**

Rutherglen and Cambuslang Food Bank was formed in November 2013. The charity converted to SCIO status on 29<sup>th</sup> June 2021.

The objects of the charity are:

To relieve the poverty and the suffering and distress of persons in the communities of Rutherglen and Cambuslang by providing free food and in such other ways as the trustees from time to time think fit.

### **Governing Document**

Rutherglen and Cambuslang Food Bank became a Scottish Registered Charity on 17th January 2014 following OSCR's approval of an appropriate constitution reflecting this.

The charity adopted a new constitution when they converted to a Scottish Charitable Incorporated Organisation on 29<sup>th</sup> June 2021.

### **Organisational Structure**

The Charity is administered by a Management Committee which meets a minimum of once per annum (normally monthly).

### **Trustee Recruitment and Appointment**

Trustees are appointed by application.

In addition to applications from individuals the Management Committee may, on behalf of the membership, invite named individuals to be members of the Charity.

### **Main Activities**

- Distributing food weekly to the poor and needy from our three distribution centres.
- Signposting our customers to appropriate specialists for help.
- Offering "on the day" referrals to Citizens Advice with dedicated CAB advisors at the centres.
- Offering support with fuel costs.
- Collecting food from donors/supermarkets.
- Sorting/storing collected food.
- Delivering food from warehouse to three Distribution Centres.
- Supporting volunteers and customers into full time employment.
- Managing teams of volunteers to successfully achieve these aims.

# **Rutherglen and Cambuslang Foodbank (SCIO)**

## **Year to 31<sup>st</sup> March 2026**

### **Achievements & Performance**

- Operated three distribution centres covering Rutherglen and Cambuslang areas throughout the year.
- Obtained sufficient food to accommodate the needs of those attending the distribution centres.
- Managed food and financial donations gifted this year.
- Managed a practical transport system to collect food and stock the distribution centres.
- Operated a busy warehouse to receive, sort and distribute food. This is a continuous process where stock levels require constant monitoring.
- Recruited and organised sufficient volunteers to meet the many demands of running the Foodbank.
- Obtained the necessary financial resources to meet the costs of the operation, through grants, donations and regular giving.
- Negotiated a five-year lease extension to our premises in Rutherglen Exchange and consolidated the Rutherglen operation into a single site.
- Moved the Cambuslang Centre to Cambuslang Parish Church. This is a temporary move while the Romanian Pentecostal Church of God is undergoing extensive refurbishment.
- Continued a Service Level Agreement with Citizens Advice to provide our customers with specialist advice in real time, funded by a Trussell Financial Inclusion grant.
- Welcomed an increased number of agencies referring customers to the Foodbank and signposted our customers to other agencies for specialist support.
- Helped people in crisis in other ways e.g., by providing toiletries, household cleaning items, fuel top-ups, SIM cards and warm items (e.g., duvets, blankets, flasks, fleeces, etc), soup packs and £30 & £40 supermarket vouchers.
- Maintained networks with supermarkets, churches, schools and local businesses, resulting in successful Easter, Harvest and Christmas collections and regular Food Drives with Morrisons (3) and Tesco (4).
- Benefited from the Rutherglen 900 “Bags of Kindness” initiative, part of the Royal Burgh of Rutherglen 900 years celebration, with food donations received from churches and local groups in the community.
- Continued partnership with the Fuel Bank Foundation to support our customers who have pre-paid meters with fuel top-ups.
- Offered our customers free SIM cards to promote digital inclusion and connectivity, thanks to a continuing relationship with Tesco Mobile
- Received corporate support from companies such as Howdens (formerly Laurie Ross), Barclays Bank, Network Rail, DPD, IBM, Mitie, and the Evana Group at Food Drives & Big Sorts, and from the Amazon Local Good community team with the pick-up and delivery of food to stock the local centres.
- Continued support from local company Bayne’s the Bakers to offer end of day produce at the centres.
- Maintained rigour around all aspects of Health & Safety, Safeguarding and GDPR, and continued to review and update all Foodbank Policies and Procedures.
- Promoted the work of the Foodbank through regular features in the local press and local media.
- Ran a Christmas Campaign to increase awareness of the Foodbank in the run up to the festive period, including creating information posters and a feature on Camglen Radio throughout December.
- Took part in the Rutherglen Exchange Christmas Event to increase the profile of the Foodbank where we launched our “Gift a Meal” initiative.
- Made full use of social media to highlight the work of the Foodbank. Our Facebook page, Instagram and website are kept up to date with information and news that is useful to the community.
- Recognised the change in the demographic attending the Foodbank and offered food parcels tailored to customers requesting Halal food.
- Continued a partnership agreement the SSPCA to secure a regular supply of pet food

## Achievements & Performance (Cont'd)

The Foodbank has been operating in Rutherglen and Cambuslang for over 13 years and there continues to be sustained demand for the service it provides. Thanks to generous support from the community, we were able to open our distribution centres four times per week, (excluding public holidays) and this year we provided emergency food for a total of 6,316 people, 4,473 adults and 1,843 children. This has marginally increased when compared to last year, and demand remains 3 times more than in the first full year (2014/15) when 2,190 people came to the Foodbank. Compared to 2019 (pre-Covid) the Foodbank has seen a 40% increase in emergency food provision compared to a (-8%) average change across Foodbanks in Scotland and a 45% change across food banks in the Trussell community.

The Foodbank has no guaranteed income and remains grateful for the continued support it receives from donors in the community, including churches, supermarkets, schools and local businesses, allowing us to help everyone who attends our centres. This year we managed 43,028kg food in and distributed 41,902kg food back to the community. This is a reduction of 9% for stock received when compared to the previous year and the third year we have seen a reduction in donated food, however there has always been sufficient to meet demand. This year we purchased 40% of the food distributed, compared to 32% in the previous year. Stock out reported at the same level as 2024/25. The Foodbank has increased its engagement in the community with actions such as additional Food Drives, a Christmas Campaign and a “Gift a Meal” initiative to encourage donations.

We have helped people in other ways. Working with the Fuel Bank Foundation we facilitated fuel card top-ups throughout the year for people who have pre-paid meters. Thanks to the generosity of Tesco Mobile, we were able to offer SIM cards to clients and their families to promote digital inclusivity. We have continued to provide warm items in the winter months from our own funds, e.g. duvets, blankets, fleeces, thermal vests, flasks as well as hats, scarves, socks and gloves. We were also able to offer £30 Farmfoods cards on an occasional basis, supporting our customers to purchase fresh food and dairy produce. In December we were able to increase the value of the card to £40. In the summer months we offered “back to school” stationery packs for children and the Scottish Book Trust provided us with a selection of children’s and adults’ books. During the winter months we purchased fresh vegetables and pulses so that we could offer soup packs. Baynes the Bakers have continued to donate their end of day produce to the Foodbank. We have continued to offer food parcels tailored to customers who request Halal food, recognising the change in the demographic attending the Foodbank.

Since August 2023, a Citizens Advice advisor has attended every Foodbank session allowing us to refer clients in real time for specialist support on issues such as benefits, debt, housing and utilities. The project was funded by a grant from Trussell and came to an end this year. Citizens Advice estimate that during the project they managed more than 500 issues for the Foodbank’s customers resulting in £97,200 of financial gains.

Aside from delivering the charity’s aims the Foodbank has had a number of accommodation issues to manage this year. In July we successfully negotiated a five-year lease extension to our premises in Rutherglen Exchange and took the opportunity to consolidate our Rutherglen operation into a single site. In addition to this, we managed a change of venue for our Cambuslang centre. From December 2025 the Cambuslang centre has been in Cambuslang Parish Church. This is a temporary move while the Romanian Church of God is undergoing extensive refurbishment. We are very grateful to Cambuslang Parish Church for their support which has allowed us to maintain business as usual for the people in Cambuslang who need our help. We also appointed a new Foodbank Manager in March 2026.

And finally, a word for the dedication of the Trustees, the volunteers and the Foodbank Manager, all of whom work tirelessly to improve the service and support we offer everyone who accesses our service, and without whom we would be unable to carry out all these activities.

## Achievements & Performance (Cont'd)

### **Our goals for 2026/27 include:**

- Developing our relationship with local people and businesses to gain support through cash donations, food donations, transport and volunteer support.
- Working with local Agencies to strengthen referral pathways
- Continuing to look at other ways we can use our funds to support people in need in our community e.g., provision of supermarket vouchers, SIM cards, emergency fuel top-ups and warm items.
- Working with groups within the local community to develop beneficial partnerships e.g.,
  - promoting the work of the Foodbank as part of the Royal Burgh of Rutherglen 900<sup>th</sup> anniversary community events
  - maintaining and strengthening links with local supermarkets, shops and businesses.
  - maintaining and strengthening links with local schools.
  - maintaining a programme of training for our volunteers.
  - developing links with local business groups using their volunteering days to support the Foodbank.
- Engaging locally in Trussell strategic priorities.
- Continuing to adhere to good governance procedures through regular review of Foodbank policies, maintaining financial rigour and managing a dynamic Forward Action Plan.
- Doing whatever we can to alleviate the pressure of poverty within our community.

## Finance

We intend having funds in hand to cover a minimum of 6 months estimated running costs. We are ahead of this target.

In financial terms, we incurred a deficit of £16,446 compared with a deficit in the previous year of £10,086. While at first glance this may look concerning, analysis of our performance shows that some items of expenditure were deliberate because of funds available and can be eliminated in the future, if necessary.

Income from all sources was £66,990 against £72,294 the previous year. The current year includes a restricted grant of £14,463 (2024/5 = £14,056). While there has been a small drop in income from last year, the level achieved is encouraging taking in to account the current economic circumstances in the country. Overall, our level of income is not currently a concern.

Expenditure was similar to last year though comparison with the previous year can be misleading as our actions are governed by funding available at any given time.

We are fortunate that several elements of our costs can be increased or stopped at will depending on prevailing circumstances.

With grateful thanks to the citizens of Rutherglen and Cambuslang, we leave 2025/6 in a strong financial position.

### Donated Facilities and Services

## **Independent Examiner's Report to the Trustees of Rutherglen and Cambuslang Foodbank SCIO**

I report on the accounts of the charity for the year ended 31 March 2026 which are set out on pages 1 to 10.

### **Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities

Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

### **Basis of independent examiner's statement**

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

### **Independent examiner's statement**

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations
  - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

- Obtained the necessary financial resources to meet the costs of the operation, through grants, donations and regular giving.
- Ran a recruitment campaign and appointed a new Foodbank Manager in December 2024.
- Signposted our customers to other agencies for specialist support. This included additional training and refresher training to our Support Workers to make best use of the Foodbank Information booklet to share details of local support services.
- Continued a Service Level Agreement with Citizens Advice to provide our customers with specialist advice in real time, funded by a Trussell Financial Inclusion grant.
- Welcomed an increased number of agencies referring customers to the Foodbank as we moved away from DWP Signposting. This change was instigated by the DWP in February 2024.
- Actively sought other ways to help people in crisis e.g., by providing toiletries, household cleaning items, fuel top-ups, SIM cards and warm items (e.g., duvets, blankets, flasks, fleeces, etc), fresh fruit & vegetables and £30 supermarket vouchers.
- Maintained a “Use of Funds” project plan to monitor non-food expenditure.
- Took part in the Rutherglen Exchange Christmas Event to increase the profile of the Foodbank and became their nominated charity partner. This engagement will continue into 2025/26 with a Foodbank presence at all future events in Rutherglen Exchange.
- Maintained networks with supermarkets, churches, schools and local businesses, resulting in successful Easter, Harvest and Christmas collections and regular Food Drives with Morrisons (2) and Tesco (3).
- Continued partnership with the Fuel Bank Foundation to support our customers who have pre-paid meters with fuel top-ups.
- Worked with Tesco Mobile, issuing free SIM cards to promote digital inclusion and connectivity.
- Received corporate support from companies such as Howdens (formerly Laurie Ross), Barclays Bank, Network Rail, DPD, IBM, the Amazon Community team, the Evana Group and City Building at Food Drives and Big Sorts, and with the pick-up and distribution of food to stock the local centres.
- Continued support from local company Bayne’s the Bakers to offer end of day produce at the centres.

## Achievements & Performance (Cont'd)

This year the Foodbank celebrated its 10<sup>th</sup> anniversary. We celebrated this milestone with a Thanksgiving Event for volunteers and donors, past and present, so that people could come together to share memories and reflect on the work of the Foodbank. There was another major event later in the year when we said goodbye to [REDACTED] our Foodbank Manager of 4 years. We were without a manager for four months and were delighted to appoint [REDACTED] as our new manager in December 2024.

Overall, there remains a need for the Foodbank. Thanks to the generous support of the community, we were able to open our distribution centres four times per week, (excluding public holidays). This year we provided emergency food for a total of 6,222 people, 4,360 adults and 1,862 children. This is a reduction of 28% when compared to last year. That said, demand is still 3 times more than in the first full year (2014/15) when 2,190 people came to the Foodbank demonstrating that the need for emergency food in our community has almost tripled since 2014. Although the numbers attending the Foodbank fell, a trend that has been seen in other Trussell Foodbanks, we noted an increase in the number of families attending.

The Foodbank has no guaranteed income and remains grateful for continued support from donors in the community, including churches, supermarkets, schools and local businesses, allowing us to help everyone who has attended our centres. This year we managed 46,818kg of food in and distributed 41,097kg food back to the community. This is a reduction of 11% for stock in and 32% stock out when compared to the previous year, when 51,365kg of food donations were received and 54,255kg distributed at the centres. This is the second year that we have seen a reduction in donations of food, however there has always been sufficient to meet demand. We have increased our engagement in the community with actions such as a Christmas Campaign, an additional Food Drive and by building our relationship with Rutherglen Exchange Shopping Centre. We are now their nominated charity partner and will be represented at all community events in the shopping centre.

We have helped people in other ways. Working with the Fuel Bank Foundation we facilitated fuel card top-ups throughout the year for people who have pre-paid meters. Thanks to the generosity of Tesco Mobile, we issued SIM cards to clients and their families to promote digital inclusivity. We have continued to provide warm items in the winter months offering duvets, blankets, fleeces, thermal vests, flasks as well as numerous hats, scarves, socks and gloves. We were also able to offer £30 Farmfoods cards with the pre-packed food bags on an occasional basis, supporting our clients to purchase fresh food and dairy produce. Our continuing partnership with Glasgow Fruit Market allowed us to offer fresh fruit and vegetables at the Foodbank and this included making up soup packs. In the summer months we offered "back to school" stationery packs for children and the Scottish Book Trust provided us with a selection of children's and adults books. Baynes the Bakers have continued to offer their end of day produce to the Foodbank. This initiative has a spin off environmental benefit as it avoids this produce being sent to landfill. We also recognised the change in the demographic attending the Foodbank and now offer food parcels tailored to customers who request Halal food.

This year we also maintained our Service Level Agreement with Citizens Advice. Starting in August 2023, a Citizens Advice advisor has attended every Foodbank session allowing us to refer clients in real time for specialist support on issues such as benefits, debt, housing and utilities. Citizens Advice estimate that since the project began this has resulted in around £70,000 of financial gains for the Foodbank's customers.

Finally, we are forever grateful for the dedication of our Trustees and volunteers without whom we would be unable to carry out all these activities. The Foodbank has a well-established volunteer base and continues to attract new volunteers who work tirelessly to improve the service and support we offer to those who access our service. This selfless commitment from all our volunteers is critical to our success.

## Achievements & Performance (Cont'd)

### **Our goals for 2025/26 include:**

- Developing our relationship with local people and businesses to gain support through cash donations, food donations, transport and volunteer support.
- Working with local Agencies to strengthen referral pathways, including maintaining our partnership with Citizens Advice to provide specialist support and advice when the Foodbank centres are open.
- Continuing to look at other ways we can use our funds to support people in need in our community e.g., provision of supermarket vouchers, SIM cards, emergency fuel top-ups and warm items.
- Working with groups within the local community to develop beneficial partnerships e.g.,
  - maintaining and strengthening links with local supermarkets, shops and businesses.
  - maintaining and strengthening links with local schools and colleges.
  - maintaining our programme of training for our volunteers.
  - developing links with local business groups using their volunteering days to support the Foodbank.
- Engaging locally in Trussell strategic priorities.
- Continuing to adhere to good governance procedures through regular review of Foodbank policies, maintaining financial rigour and managing a dynamic Forward Action Plan.
- Doing whatever we can to alleviate the pressure of poverty within our community.

Year to 31st March 2025

## Finance

We intend having funds in hand to cover a minimum of 9 months estimated running costs. We are ahead of this target.

In financial terms, we incurred a deficit of £10,086 compared with a deficit in the previous year of £33,046. While at first glance this may look concerning, analysis of our performance shows that some items of expenditure were deliberate because of funds available and can be eliminated in the future, if necessary.

Income from all sources was £72,294 against £67,227 the previous year. The current year includes a restricted grant of £14,056 and we expect this to be repeated in 2025/26. Gift Aid of £6,200 includes income relating to the previous year of £2,805.

Overall, our level of income is not currently a concern.

Our expenditure fell from £100,273 to £82,380. Again, comparison with the previous year can be misleading as our actions are governed by funding available at any given time.

We are fortunate that several elements of our costs can be increased or stopped at will depending prevailing circumstances.

With grateful thanks to the citizens of Rutherglen and Cambuslang, we leave 2024/5 in a strong financial position.

## Independent Examiner's Report to the Trustees of Rutherglen and Cambuslang Foodbank SCIO

I report on the accounts of the charity for the year ended 31<sup>st</sup> March 2025 which are set out on pages 1 to 10.

### Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities

Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

### Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

### Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations
  - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations

have not been met.
