Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of public participation in sport'

What the charity does: Drum Field Archers is set up to provide grassroots sports tuition to all members of the community with the view to increasing public participation in sport. Classes are run by qualified volunteers at insured and safety checked venues in accordance with the NGB (Scottish Field Archery Association). The classes are available for all levels of ability and we try to make the classes available at different venues and at different times in order to meet the needs of the participants. We try to keep costs at a level of affordability and offer discounts for families and discretionary reductions during difficult times for members or participants (periods of unemployment/ long term illness/temporary income issues such as loss or change of benefits) . We are a very democratic club and try to involve members and participants in most of the larger decision making processes. We have a website and facebook page and word of mouth that successfully promotes our activity.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: 4 The organisation's purposes are: 4.1 To advance education in and promote Field Archery for all (As set out in Charitable purpose (b)) 4. 2 The advancement of public participation in sport (As set out in Charitable purpose (h))

Hut development and range update

A tremendous amount of work and development has gone into the outdoor range this year, with two fully functioning 14 target courses captained by [REDACTED] and the Practice range and hut area by Bob Tweedie. The strimming, lopping and endless grass cutting carried out by our club members and volunteers is a massive undertaking year in and year out and we thank our them for all the work that they put in. We have had a massive upgrade to our hut this year thanks to the hard work and dedication of [REDACTED] and many others, this is much appreciated and is used not only for storage and maintenance but rest and relaxation for all visitors. We managed to purchase a small quad this year to aid getting materials and targets onto and around the courses and had a massive clear-out of old targets and seating etc. Bacon Butties supplied for our volunteers made by Trustee and [REDACTED].

Plans afoot for next year will be to establish another 7 targets on the range
