Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of environmental protection or improvement'

What the charity does: UUET is set up to benefit the natural habitat and people of the Upper Urr Catchment, and surrounding areas. Over recent years a number of projects have been undertaken, including water temperature loggers, wildflower planting and other activity around the area. UUET has a 20 year lease on the Glaisters Bridge Community Woodland site. In the 2024/25 financial year, Glaisters Bridge hosted additional tree planting, public events and other public improvements on the site. In the 2024-2025 year, the SCIO recorded nil activity through bank account with all financial activity undertaken by Dumfries & Galloway Woodlands. UUET does retain public liability insurance for the Glaisters Bridge Community Woodland site.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The organisation's purposes are: To work to benefit the natural environment in the Upper Urr catchment and surrounding area, by creating, improving and protecting habitats, to increase biodiversity and counter climate change To aid the engagement of people with the environment of the Upper Urr catchment and surrounding area, by supporting amenity and educational information services which further this purpose To undertake any other activities that support these purposes.

Trustee Annual Report

The March 2024 to Feb 2025 period has nil financial activity recorded through UUET bank account.

This does not mean however that nothing has been happening, with ongoing work at the Glaisters Bridge Community Woodland Site. UUET has a 20 year lease on the approx. 5 Hectare site, near Corsock, establishing a new community woodland for all to enjoy.

All activity has been funded by Dumfries & Galloway Woodlands (SCIO 052525) as part of their 'Woodlands Plus' project. Info: <https://dgwoodlands.org.uk/woodlands-plus/>. DGW was able to obtain these funds from the nearby Blackcraig Windfarm Community Benefit Fund and the landowner, Foresight Group.

UUET has Public Liability insurance for the site (Ansvar policy number ACY 2437248) – the costs of which are paid by D&G Woodlands.

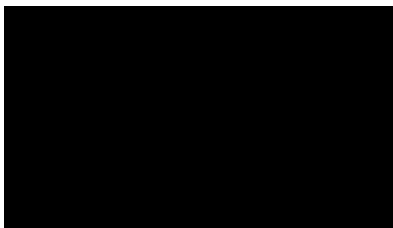

Activity on the Glaisters Bridge site this year included community events and activities, including tree planting.

Paths have been cut across the site, with plans for seating install (May 2025) and signage establishment.

UUET Trustee [REDACTED] meet regularly to discuss activity on the site.

At this time it is proposed to retain the UUET Bank account in case required in future years. Last activity through the account was March 2023.
