## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of education'

**What the charity does:** Our initiative empowers global medical students by fostering 'unity in diversity' through strong mentor-mentee relationships, supporting the growth of future neurosurgeons. We will implement a collaborative mentorship program that connects and aligns mentorship efforts worldwide, focusing on shared projects and objectives. By expanding our model to underserved regions, we provide specialized neurosurgical education and support. Key actions include organizing educational sessions on neurosurgical topics, pairing trainees with students for impactful mentorship, and guiding students in publishing research. Our aim is to create an inclusive, supportive community that advances neurosurgical education globally.

**Beneficiaries:** 'Other defined groups'

**Objectives:** The Advancement of Education by the promotion of mentoring for Medical students in Scotland and the UK.
