## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of education', 'the advancement of health', 'the advancement of citizenship or community development', 'the promotion of equality and diversity', 'the advancement of environmental protection or improvement', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

**What the charity does:** Nafanta Foundation CHEEPP Charity UK is dedicated to empowering underprivileged communities by focusing on education, healthcare, and poverty alleviation. Our mission is to create sustainable opportunities for individuals and families to improve their quality of life, break the cycle of poverty, and achieve their full potential. We achieve this by Providing Access to Education. We support children and young adults by creating training centres, providing educational materials, and creating scholarship opportunities to ensure access to quality education. we also support in Improving Healthcare Services, by providing medical/hospital equipment supplies, and support access to basic healthcare for communities that lack adequate services. We are addressing Poverty through initiatives like vocational training, and distributing essential resources, we help individuals build self-reliance and improve their economic stability. We Engage in community partnerships to support the community.

**Beneficiaries:** 'Other defined groups'

**Objectives:** (a) THE ADVANCEMENT OF HEALTH by collaborating with donor partners to adapt services to better meet the health and well-being needs of various communities. (b) THE ADVANCEMENT OF ENVIRONMENTAL PROTECTION by raising awareness through films and series of campaigns to prevent illegal bush fires, dumping wastes on land, sea and waterways particularly but not limited to developing countries. The charity will focus on sensitising the public to be environmentally aware of such issues and to help change public attitudes on these illegal activities in order to prevent serious health and environmental hazards. (c) THE ADVANCEMENT OF EDUCATION for public benefit by encouraging stakeholders to invest and nurture Science, Technology, Engineering and Math (STEM) education for young people. (d) THE PROMOTION OF EQUALITY AND DIVERSITY by eliminating all forms of discriminations be it race, age, disability, sex/sexual orientation, religion or otherwise and promoting inclusiveness particularly among those from ethnic minority communities to assist them to integrate into society through training, information sharing and raising awareness on these issues. (e) RELIEF OF THOSE IN NEED by providing services and materials to disadvantaged individuals in need of help such as homeless people, migrants etc and working in partnership with other organisations/charities in the UK and beyond to prevent poverty crises. (f) THE ADVANCEMENT OF COMMUNITY DEVELOPMENT OR CITIZENSHIP by supporting people to be involved in community or civic duties including but not limited to voting rights, advocating for democracy and rule of law etc and becoming active citizens themselves.
