TRUSTEES' REPORT.

YEAR ENDED 31ST, DECEMBER, 2025.

A year not without trials & tribulations but these have been more than made up for by the number of cats brought into the country & successfully placed into loving new homes. The trustees continue to diligently monitor the charity's finances & greatly appreciate the income from donors, some of whom have supported the work from the outset in July, 2022. Perhaps the greatest encouragement received is in the form of messages from adopters who have bonded with a cat & who offer their new family member unconditional love, something the cat may never have experienced before. To receive such news makes everything the charity does worthwhile & brightens up even the darkest of days.

LINDA CUTHBERT.

Trustee.

Respective responsibilities of trustees & examiner:

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities & Trustees Investment (Scotland) 2005 Act & the Charities Accounts (Scotland) Regulations 2006 (as amended). Basis of independent examiner's statement:

An examination includes a review of the accounting records kept by the charity & a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts & seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit &, consequently, I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement:

In the course of my examination no matter has come to my attention

1. Which gives me reasonable cause to believe that in any material respect the requirements:

- a. to keep accounting records in accordance with section 44(1) (a) of the 2005 Act & Regulation 4 of the 2006 Accounts Regulations

TRUSTEES' REPORT.

YEAR ENDED 31ST. DECEMBER, 2024.

There has been an increase in income from adoption fees, donations & fundraising this year which has been welcomed by the trustees who have all worked hard to achieve this. It has been offset by a substantial rise in air fares, something outside the control of the charity. This resulted in a surplus of expenditure over income but the trustees remain confident that it will not have any serious impact on the charity's future work.

TRUSTEES' REPORT.

YEAR ENDED 31ST. DECEMBER, 2023.

This, the charity's first full year, has seen the foundations established in the previous period built on & expanded with a not inconsiderate number of cats brought into the country & successfully adopted. The feedback from the adopters has at times been quite overwhelming as the cats have settled into their new homes. The trustees have made concerted efforts in terms of fund raising to meet the ever increasing transport costs. Relationships with overseas rescuers continue to develop & we are particularly thankful for our main UK pet taxi operator who always seems to go the extra mile for us & the cats in our care.

Objectives and activities

Charitable purposes

- (a) the advancement of animal welfare, especially cat welfare and the wellbeing of cats in need of rescue abroad
- (b) to provide support to rescuers, institutions and charities in Scotland, the UK, and abroad in the advancement of animal welfare, including rescue, fostering and re-homing, nutrition and vet treatment of rescues, and the humane control of animal over-population such as TNR programmes.

Summary of the main activities in relation to these objects

We are a small Scottish Charity (SC051803), run entirely by volunteers with no employees who dedicate as much time as their jobs and family allow them to help cats in need from all over the world. We believe every cat deserves a loving home, regardless of where they are in the world. We provide medical care to as many injured, abused, neglected, abandoned or ill cats as we can. We organise fundraisers to provide food to shelters that are really struggling to feed their rescues. We rehome cats to the UK and have a fantastic community where we help wherever the need is greatest.

APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period

In 2022 we rehomed 61 cats across the UK, of which 27 had a disability. 29 of them went to Scotland and the rest went to England and all went to fantastic homes where they now have the life they always deserved. In three occasions, we collaborated with another charity/rescuer to find them homes.

We rehomed 3 cats from the UK and fostered another 5.

We have developed very strong and trustworthy relationships with several charities both in the UK and abroad, rescuers, pet relocation companies, pet transport companies and veterinary clinics.

We have expanded our network to other countries outside the UK and collaborate with other organisations in the UAE, Saudi Arabia and Macedonia.

Our page has grown and we have increased the number of followers and supporters.

Brief statement of the charity's policy on reserves

Our reserves are kept in a charity savings account and are used for emergencies such as medical needs for the cats we have in foster care or those we rescue ourselves in the UK.
