Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of the arts, heritage, culture or science', 'the advancement of public participation in sport'

What the charity does: The Trust was set up to advance education by encouraging (young) people to sail on the Swan, keeping traditional sailing techniques alive. to advance heritage and culture by maintaining Swan as a working vessel so that she may be preserved and open to public as part of our maritime and fishing heritage, and enabling public participation in sport, by organising sailing trips on the Swan. Swan is a community asset which brings people together, whether on a sailing trip, as part of our volunteer base or through community events. With a particular focus on enabling youth sail training, we connect with schools, sail training and youth organisations, and undertake a range of youth sails every year. We value and help to develop the skills of our volunteer base, looking to help them as they help us, and work with partner organisations to enhance community events and offer sailing and personal development opportunities to all.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The organisation's purposes are: (a) The advancement of education in particular by encouraging and facilitating interested parties (particularly young people) to sail on the Swan and to thereby teach and keep alive the technique of sailing of and working of a traditional Fifie such as the Swan. (b) The advancement of heritage and culture in particular by restoring and maintaining the Shetland Fifie 'Swan' (LK243) as a working and sea-going sail fishing boat using, as far as is Swan Trust SCIO SC051822 Page 4 of 17 reasonably practical, similar materials and techniques to those used in her original construction and design so that she may be preserved and open to public as part of Shetland's maritime and fishing heritage for future generations. (c) The advancement of public participation in sport in particular by organising sailing

trips on the Swan to be participated in by members of the public.

THE SWAN TRUST SCIO

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2025

The trustees present their annual report and financial statements for the year ended 31 March 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The Organisation is established for Charitable Purposes only, and in particular, the objects are:

- The advancement of education in particular by encouraging and facilitating interested parties (particularly young people) to sail on the Swan and to thereby teach and keep alive the technique of sailing of and working of a traditional Fifie such as the Swan;
- The advancement of heritage and culture in particular by restoring and maintaining the Shetland Fifie "Swan" (LK243) as a working and sea-going sail fishing boat using, as far as is reasonably practical, similar materials and techniques to those used in her original construction and design so that she may be preserved and open to public as part of Shetland's maritime and fishing heritage for future generations;
- The advancement of public participation in sport in particular by organising sailing trips on the Swan to be participated in by members of the public.

Public benefit

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

THE SWAN TRUST SCIO

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

Achievements and performance

Significant activities and achievements against objectives

The summer sailing diary was filled with a range of trips for all ages. 75 days of sailing included local, national and international trips.

Eleven school day trips were provided to eight schools and included 102 pupils. An additional trip was delivered to one school in Orkney.

Four days of sail training experiences were provided to 27 local young people through Sail Training Shetland as part of the Tall Ships recruitment process. A further 12 days of taster sessions were provided to 95 young people from north east Scotland in partnership with Aberdeen City Council and Port of Aberdeen ahead of the city hosting the Tall Ships races in 2025.

Twelve public sailing trips were delivered. Local trips included day sails from Lerwick, Scalloway and Aith, and extended coastal trips round the south and west coast.

Public trips included attendance at the Portsoy Boat Festival and a trip to the west coast of Scotland where the boat was, unfortunately, not able to reach St Kilda due to adverse weather conditions. There was also a cultural artist trip to Norway.

Swan delivered one private group charter.

Funding Support

Without the financial assistance from the organisations who support the Trust, the delivery of the community based activities would not be possible. Trustees are grateful to all who support our work, including:

- Shetland Charitable Trust
- Shetland Islands Council Coastal Communities Fund
- Serco NorthLink Ferries
- Cooke Scotland
- Zetland Educational Trust
- Association of Sail Training Organisations
- Many other individual sponsors and donors including valued support from Shetland's pelagic fleet, agents and other fishery / aquaculture businesses.

A funding package was secured in March which will see a full upgrade of the forepeak section of the boat in December 2025. This is another substantial piece of work, securing the future operation of Swan for years to come. Funders for this are: Shetland Islands Council Coastal Communities Fund, Arven Offshore Wind Farm Ltd, Lerwick Port Authority and Peterson UK Ltd.

FOR THE YEAR ENDED 31 MARCH 2025

Financial review

Reserves policy

It is normal practice for charitable organisations to maintain unrestricted reserves to a level of three months unrestricted charitable expenditure. However due to the seasonal nature of the Swan Trust SCIO, this is less relevant to the Trust. Therefore, trustees have created a designated minimum reserve of £15,000 to cover costs if the charity were to cease - this sum will allow for insurance cover, berthing fees, slipping, painting, and minor admin costs for one year period. The trustees have also created a designated capital reserve of £50,000 to cover costs to maintain the vessel in good condition. This sum will allow for essential maintenance and replacement of essential equipment required to keep the vessel in good working order.

The balance held in unrestricted funds as at 31 March 2025 was £575,299 of which £168,967 are regarded as free reserves, after allowing for funds in designated reserves and fixed assets. Therefore the current level of reserves is higher than the designated minimum required by trustees under their agreed policy.

Structure, governance and management

The charity is controlled by its governing document and constitutes a Scottish Charitable Incorporated Organisation (SCIO).

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Trustee

THE SWAN TRUST SCIO

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE SWAN TRUST SCIO

I report on the financial statements of the charity for the year ended 31 March 2025, which are set out on pages 6 to 17.

Respective responsibilities of trustees and examiner

The charity's trustees, who are also the directors of The Swan Trust SCIO for the purposes of company law, are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investments (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the financial statements as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the financial statements.

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - (ii) to prepare financial statements which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial

The company is entitled to the exemption from the audit requirement contained in section 477 of the Companies Act 2006, for the year ended 31 March 2025.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of financial statements.

The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements were approved by the trustees on 17 May 2025

THE SWAN TRUST SCIO

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

Charity information

The Swan Trust SCIO is a private company limited by guarantee incorporated in Scotland. The registered office is [REDACTED]

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

THE SWAN TRUST SCIO

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.6 Property, plant and equipment

Property, plant and equipment are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Plant and equipment	10% reducing balance
Computers	25% Straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of non-current assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Inventories

Inventories are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

THE SWAN TRUST SCIO

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

(Continued)

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including trade and other payables and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

THE SWAN TRUST SCIO

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
