Accounts

To whom it may concern,

As requested, here is a statement for Second Chance Trainings annual report.

Currently at Second Chance training we have not yet managed to secure any funding to start work with our charity. Our charity aims to provide ex-offenders and ex addicts with the necessary skills to help them progress to employment in the construction industry. We are actively seeking funds to help our project get of the ground, unfortunately we are competing with a similar charity in our area. We do not have any funds in our back account or any financial record we can record for our accounts. This is an on-going task for us.

If you need any further information, please feel free to contact me on the email provided.

Kind regards
