Other optional information

Fortissat Youth Forum's trustees met and agreed in December 2024 that the charity will dissolve in due course. This is due to a lack of resource, as well as a change in the life circumstances of each of its trustees, in particular our trustee Kayla who we are delighted to say welcomed her baby girl Marla into the world towards the end of the financial year.

Throughout the financial year, the charity has not had any financial interactions due to inactivity. We are hopeful that the contributions made to groups such as our local community board and interactions with elected members since the group was originally founded over 7 years ago, will lead to further involvement of young people in local decision-making in future. We are pleased that the work carried out by our group has led to several members pursuing careers in community development and youth work, highlighting the continued impact that the young people of Fortissat Youth Forum will continue to have in years to come.

We are incredibly grateful to our partners within and outwith Fortissat who have supported and contributed to the Forum's work over the years, and whilst we are saddened to say that we can no longer continue this work, we look forward to hearing what the next generation of young people in Fortissat have to say.
