Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of citizenship or community development', 'the advancement of the arts, heritage, culture or science', 'the promotion of equality and diversity'

What the charity does: Involve disabilities people into historical heritage activities: scanning archaeological material in 3D in order to put them in a digital platform for education and tourism purpose. The final goal is to support disabilities people in training and finding a job in a similar field.

Beneficiaries: 'People with disabilities or health problems'

Objectives: The organisation's purposes are: (a) To promote community development by supporting the creation of a (semi-) professional path for disabled people in Heritage, Art and Culture basing on their interest, skills and a training on manipulation of historical material (b) To promote community development by becoming disabled people as mainactors on preservation and disclosure scanning historical material and creating digital support for investigation, education and tourism (c) To promote heritage and culture by providing a direct access of archaeological and historical material for disabled community development people (d) To promote equality and diversity by encouraging the integration of people with disabilities in heritage and cultural activities
